SW	004	Univ of Las Vegas, NV	Mandatory	Desired	Official transcripts required for all (copies not accepted). (Requested permission to remove Master's req -- awaiting approval from UNLV provost.) "I made a formal request to UNLV through the Engineering Department to remove the APAS master degree requirement. The Engineering Dean approved it and it is under review by the UNLV provost. Will we be able to update the requirements if we get the approval back after the suspense date?"
SE	005	Auburn University, Auburn, AL	Mandatory	Highly desired	Require that one APAS have a degree in engineering.
SE	006	Jackson State University, Jackson MS	Mandatory	Case-by-case	Det CC; diversity desired--underrepresented groups encouraged to apply.
NE	009	Yale University, New Haven CT	Mandatory	Required for all	Det CC; PhD strongly preferred by Yale senior leadership. Must have command experience at the 0-5 level or higher, with operational command preferred. Must be capable of teaching sections of the Hist 221 Military History of the West since 1500 and lecture to 120+ Yale undergraduates on modern air power. Highly desired to have a degree from a recognized/strong civilian university in international relations/military history/security affairs or related field. APAS requirements: cadre need to have been a very solid undergrad in any major (3.0+); University will consider APAS on a Case-by-case basis depending on their degree source. University desires operational experience and stratification, whole person concept applies for cadre. Master's degree required for instructors to teach courses for Yale credit.
SE	010	University of Alabama Tuscaloosa AL	Mandatory	Case-by-case	50% of APASs must have MS degree OR at least 18 credit hours toward's master's degree AND 6 years military experience to meet the SACS accreditation standards for instructors.
SE	012	Samford University Birmingham AL	Mandatory	Highly desired	Det CC should be comfortable working in a university environment that supports and encourages religious values. Master's waiver for APAS only considered if candidate has started master's program and has extensive work experience in relative areas of study.
SE	014/A	Univ of South Alabama, Mobile AL & Univ of West FL, Pensacola FL	Mandatory	Case-by-case	South Alabama: no unique requirements. West Florida: prefers APAS have Masters Degree. Will accept candidate who has experience in subject that compensate for an advanced degree.
SE	015	Tuskegee University Tuskegee AL	Mandatory	Case-by-case	HBCU: diversity desired--underrepresented groups encouraged to apply. Alumnus desirable. University president accepts Det CC by signed memo.
SE	017	Troy University Troy AL	Mandatory	Case-by-case	
SE	019	Alabama State University Montgomery AL	Mandatory	Case-by-case	HBCU school; all are encouraged and welcome to apply; PAS packages are forwarded to the University Provost and President for review and are accepted via signed memo. APAS packages are forwarded to the University Provos for acknowledgement and are accepted via signed memo. Det CC/PAS: Interview encouraged but not required
SW	020	University of Arizona Tucson AZ	Mandatory	Highly desired	(NO CHANGE)
SW	025	Arizona State University Tempe AZ	Mandatory	Highly desired	Must at least hold a degree higher than the level being taught (i.e. APAS teaching bachelor's level class must have a bachelors). (NO CHANGE)
SW	027	Northern Arizona University Flagstaff AZ	Mandatory	Highly desired	Det CC and APASs approved by school (no interview). Diversity desired--underrepresented groups encourage to apply. Instructors [...] must have at least three years of active duty or equivalent military service or a master's degree.

SW	028	Embry-Riddle Aeronautical University Prescott AZ	Mandatory	Case-by-case	Det CC and APASs approved by school (no interview). Rated Det CC highly desired. One technical APAS highly desired (engineer/meteorology). Due to large size of Cadet Wing, it is highly recommended that the Operations Flight Commander not teach AS classes.
SW	030	University of Arkansas Fayetteville AR	Mandatory	Case-by-case	No interview required for faculty. (NO CHANGE)
SW	035	California State University-Fresno Fresno CA	Mandatory	Case-by-case	No interview required for faculty. Masters required for all FGOs unless approved by University Provost and Office of Faculty Affairs. Each faculty record is reviewed and approved by the Dean, the Provost and the Office of Faculty Affairs. Masters for CGOs desired.
SW	040	Loyola Marymount University Los Angeles CA	Mandatory	Mandatory	"Terminal degree" (Masters degree, but PhD in some disciplines such as Physics, etc) mandatory for all faculty positions. Rated Det CC highly desired (AFA provides money for orientation flights); identifies with Catholic education. (NO CHANGE)
SW	045	San Jose State University San Jose CA	Mandatory	Preferred	Det CC & APAS positions, reviewed/recommended by current Det CC and approved by Dean of College of Applied Science and Art (pkg submission, no interview). Previous instructor experience desirable for Det CC. Instructor experience highly desired for APAS without Masters.
SW	055	University of California-Los Angeles Los Angeles CA	Mandatory	Preferred	Det CC & APAS approved by school (no interview). Previous instructor experience desirable for Det CC. APAS without Masters require instructor experience. (NO CHANGE)
SW	060	University of Southern California Los Angeles CA	Mandatory	Desired	Det CC and APAS approved by university (interview at discretion of Dean). Det/CC - master's degree required, APAS - bachelor's is sufficient/no AAD requirement.
SW	075	San Diego State Univ, CA	Mandatory	Preferred	Det CC: Interview at discretion of Dean, previous instructor experience desirable. (NO CHANGE)
SW	085	University of California-Berkeley, CA	Mandatory	Required for all	Det CC: interview req'd (university pays). Skype interview required for all APAS nominees, must have evidence of instuctor/teaching experience in lieu of adv. degree; 3.0+ GPA highly desired for all officers.
SW	088	California State Univ.-Sacramento, CA	Mandatory	Case-by-case	Det CC requires Provost approval. Diversity desired--underrepresented groups highly encourage to apply. (NO CHANGE)
NW	090	Colorado State University Fort Collins CO	Mandatory	Case-by-case	APAS approved by Vice-Provost and non-complete masters (exceptions have been granted).
NW	105	University of Colorado Boulder CO	Mandatory	Required for all	Det CC: Interview may be required. Minimum undergrad GPA of 3.0 from a major university. Undergrad and Grad degrees must be from accredited university.
NE	115	University of Connecticut Storrs CT	Mandatory	Preferred	Det CC: Interview in person, via skype, VTC or telephone required. Master's Degree is required. Candidate must be approved by Director of Veteran's Affairs and Military Programs and the Provost (or Provost's designee). APAS: Interview in person, via skype, VTC or telephone required. Master's Degree is desired, but not required - University may accept practical experience and a strong undergraduate and military record on a case-by-case basis. Candidate must be approved by Director of Veteran's Affairs and Military Programs and the Provost (or Provost's designee). At least one rated officer in the detachment is preferred.
NE	128	University of Delaware Newark DE	Mandatory	Mandatory	
NE	130	Howard University Washington DC	Mandatory		HBCU: Diversity desired--underrepresented groups highly encouraged to apply.
SE	145	Florida State University Tallahassee FL	Mandatory	Highly Desired	FSU strongly prefers that proposed candidates for Assistant Professor of Aerospace Studies have a Masters Degree. However, FSU will accept a candidate who has experience in the subject areas to be taught and/or other credentials that compensate for the lack of an advanced degree. Additionally, due to the large size of the detachment, recommend 2 out of 3 APAS officers have at least five years of active duty service and/or two operational assignments."
SE	150	University of Florida Gainesville FL	Mandatory	Case-by-case	
SE	155	University of Miami Coral Gables FL	Mandatory	Case-by-case	CC and APAS without MS degree require approval by the University President
SE	157	Embry-Riddle Aeronautical University Daytona Beach FL	Mandatory	Mandatory	PAS and APAS packages are reviewed by the Chancellor and accepted in writing. There is a strong preference for engineers and flying-rated
SE	158	University of South Florida Tampa FL	Mandatory	Case-by-case	University may accept practical experience related to the course of instruction in lieu of Masters. Without Masters or acceptable practical experience, they will not be assigned as the instructor of record for any credit courses.

NE	355	Boston University Boston MA	Mandatory	Case-by-case	officer highly desired. Three letters of recommendation from senior officers (0-6 through 0-10) required. APASs: Undergraduate CGPA 3.0+ from accredited university. Three letters of recommendation from
NE	365	Massachusetts Institute of Technology, Cambridge MA	Mandatory	Case-by-case	Must always have at least one engineer assigned. Det CC requires Masters (PhD preferred), with a technical degree (undergraduate or graduate) very highly desired. Highly desired for Det CC and APAS to have 3.0 GPA or better in STEM (undergraduate and graduate) and degree source is a consideration. On a case-by-case basis, excellent operational performance is an acceptable alternative to a strong STEM background. All hiring subject to approval of ROTC Oversight Committee.
NE	370	Univ of Massachusetts- Amherst Amherst MA	Mandatory	Case-by-case	All faculty: application packages will be screened by the Military Affairs Committee which then recommends approval or disapproval to the Provost/Chancellor in turn for Det CC. Provost only for APAS. GPA > 3.00 preferred.
NE	380	Michigan State University East Lansing MI	Mandatory	Case-by-case	All faculty: Application packages will be screened by Military Education Advisory Committee which the recommend approval or disapproval to the Associate Provost for Undergraduate Education for acceptance. A rated officer on staff is desired (due to number of cadets in aviation program at crosstown university).
NE	390	University of Michigan Ann Arbor MI	Mandatory	Case-by-case	Det CC: Master's degree required, technical area desired. APAS: Master's degree required for OFC. Only Master's degree holders will teach POC courses. For EFC and RFC -- Master's degree desired; will consider Bachelor's degree holders on case-by-case basis, if 3.0 GPA or higher. Det CC interview (school pays). Master's degree holders require 3.0 GPA or higher from good schools and degree related to ROTC curriculum. Teaching experienced desired.
NW	400	Michigan Technological University Houghton MI	Mandatory	Desired	Det CC: considered a university dept Head/chair.
NW	410	The University of St. Thomas St. Paul MN	Mandatory	Preferred	Det CC: considered a university dept head. Desirable to have one cadre member with technical (engineer, computer, science) background. (An APAS without a master's degree with an equivalent level of experience may be acceptable after Dean review).

NW	415	University of Minnesota, Twin Cities Minneapolis MN	Mandatory	Preferred	Det/CC is considered Dept Head in the College of Continuing Education. Approval is routed through ROTC Subcommittee to the Vice Provost and Dean of Undergraduate Education for approval. It is desired that the Det/CC maintained a ≥ 3.1 in their advanced degree, but not required. The nomination package includes: Resume, SURF, 2-3 letters of recommendation and transcripts. APAS: If candidate does not have a masters degree candidate must be able to obtain the advanced degree.
NW	420	University of Minnesota-Duluth Duluth MN	Mandatory	Mandatory	Det CC: considered a university program head. Univ not budging on APAS req't. I have worked an APAS approval with contingency that they have Master's done prior to arrival (Jul 17).
SW	425	Mississippi State Univ Mississippi State MS	Mandatory	Case-by-case	Det CC: may require interview. (NO CHANGE)
SW	430	University of Mississippi University MS	Mandatory	Desired	APAS: at least two years leadership experience as an Air Force officer or at least 18 graduate hours in leadership or history. (NO CHANGE)
SE	432	University of Southern Mississippi Hattiesburg MS	Mandatory	Highly desired	
NW	440	University of Missouri- Columbia Columbia MO	Mandatory	Case-by-case	APAS: masters degree completion within 1 year of arrival. Diversity desired--underrepresented groups encouraged to apply.
NW	442	University of Missouri-Rolla Rolla MO	Mandatory	Case-by-case	Det CC: considered a university dept Head/chair."
NW	450	Montana State University Bozeman MT	Mandatory	Case-by-case	Prior instructor experience and technical background/BS (engineer, computer, science) desired.
NW	465	University of Nebraska-Lincoln Lincoln NE	Mandatory	Case-by-case	APAS: be currently enrolled and progressing towards earning a master's degree from an accredited institution.
NW	470	University of Nebraska-Omaha Omaha NE	Mandatory	Highly desired	All faculty: records reviewed/approved by the Associate Vice chancellor for Academic Affairs. School has strong Computer Science/Engineering, Aviation (STEM) and cross-town Nursing Programs. STEM degrees preferred.
NE	475	University of New Hampshire Durham NH	Mandatory	Case-by-case	Diversity desired--underrepresented groups encouraged to apply.
NE	485	Rutgers, The State Univ New Brunswick NJ	Mandatory	Strongly preferred	Undergrad GPA 2.5+ required.
NE	490	New Jersey Institute of Technology Newark NJ	Mandatory	Preferred - not required	
SW	505	New Mexico State Univ Las Cruces NM	Mandatory	Case-by-case	(NO CHANGE)
SW	510	University of New Mexico Albuquerque NM	Mandatory	Desired	Det CC: PhD desired but not mandatory, interview required.
NE	520	Cornell University Ithaca NY	Mandatory	Preferred	Interview all (school DOES NOT pay), but internet conference will likely be used. Requires Det CC/APAS to make 15-20 minute presentation to university committee. Excellent academics; university is sensitive to degree source.
NE	535	Syracuse University Syracuse NY	Mandatory	Case-by-case	
NE	536	Clarkson University Potsdam NY	Mandatory	Case-by-case	
NE	538	Rochester Institute of Technology Rochester NY	Mandatory	Case-by-case	Det CC: (MS or better) in engineering or hard science. Desire at least one APAS with advanced engineering or science degree.
NE	550	Rensselaer Polytechnic Institute Troy NY	Mandatory	Case-by-case	Should have one faculty member with technical (engineering, computer, math , science) background. No more than one "non-masters degree" instructor. Diversity desired--underrepresented groups encouraged to apply.
NE	560	Manhattan College Riverdale NY	Mandatory	Highly desired	University will not acknowledge Asst Professor title w/o Masters Degree. Over 30 cross-town schools in greater NYC/Long Island/Westchester area. Diversity desired--underrepresented groups encouraged to apply.

SE	585	Duke University Durham NC	Mandatory	Mandatory	Interview all Det CC/APAS nominees and two letters of recommendation. Masters Degree with excellent academic qualifications (3.0+ undergraduate GPA from a major university) and operational experience mandatory for all instructors. HBCU cross-town. Diversity desired--underrepresented groups highly encouraged to apply.
SE	590	University of North Carolina- Chapel Hill, Chapel Hill NC	Mandatory	Case-by-case	All prospective faculty members to provide 4 letters of recommendation and should have an undergraduate GPA of 3.0+ from a major university with excellent academic credentials. Det CC interview required. Highly desirable for Det CC to have Ph.D. and prior academic teaching experience, but minimum of master's degree and preferably earned in residence at a regionally accredited civilian institution. APAS requires letter of endorsement from sitting Det CC. Exceptional APAS applicants without master's degree will be considered case-by-case. *NOTE* UNC-Chapel Hill has no engineering school.
SE	592	University of North Carolina- Charlotte, Charlotte NC	Mandatory	Mandatory	Det CC degree must be from a regionally accredited (SACS) resident program, not online/distance learning. One APAS with engineering degree desirable due to larger engineering program at the university. Most recent PFA score should be 85+ due to high emphasis on physical fitness at this detachment. Diversity desired--underrepresented groups encouraged to apply.
SE	595	North Carolina State University Raleigh NC	Mandatory	Case-by-case	Det/CC interview required via in person or on-line via GoToMeeting, Facetime, Skype or telephone (if requested to meet in person, NCSU pays for travel from CONUS location). APAS must have a master's degree completed prior to hire OR have at least 18+ (Bachelors Plus) hours and continue pursuing while on faculty to be accepted and able to teach Aero courses. One APAS possess a TECH/STEM degree due to large tech/engineering program and one APAS have mission support experience. Both APAS's should have 6+ years military operational experience. Educational degree requirement, high level of experience and combination is required to meet the SACS accreditation standards for instructor credentials. Instructors must have qualified credentials assembled for review by university leadership. Current FA score should be 90+ due to high emphasis on physical fitness at this detachment. Crosstown HBCU - Diversity encouraged.
SE	600	East Carolina University Greenville NC	Mandatory	Not required	
SE	605	North Carolina A&T State University Greensboro NC	Mandatory	Case-by-case	APAS: master's degree or 18 hours in graduate coursework.
