Lodging for RTI Students attending MOS Courses on Camp Joseph T. Robinson (CJTR)

c. Demonstrate, in Detail, Why This Specific Item or Service, is the Only One That Meets Your Requirements

The 233rd RTI requires students to lodge on Camp Robinson while in attendance at the RTI. The CJTR Billeting office is the only lodging facility located on CJTR that can provide on-post nightly lodging to RTI students attending RTI Courses. Housing the RTI students on-post provides for efficiency and supports adherence to training schedules. Additionally, some students do not have independent transportation, and the RTI Dining Facility provides meals for students attending courses.

Survey of local market conditions, specifically the current rates for nightly hotel rental and proximity to Camp Robinson, North Little Rock Arkansas. The Camp Robinson Billeting Office reviews and sets room prices effective at the beginning of each year. For 2026 the room rate is set at [REDACTED] per night. Market research for the North Little Rock area finds this rate to be less than half the cheapest room rate of [REDACTED] per night. In addition, students attending classes at the RTI are required to be lodged on post due to training and mission requirements.

h. Provide an explanation of any unusual patterns that may be revealed by the history, e.g., several consecutive, urgent buys.

None

i. If a justification was prepared to support the procurement made before this one, briefly describe the circumstances justifying the procurement and whether there have been any significant changes.

The previous on-post lodging requirement for students attending RTI training courses was the basis for the previous justification to limit competition. This requirement remains in effect for current and future courses.

j. Provide any other facts necessary to justify limiting competition that were not previously stated.

None

6a. AUTHORITY CITED

10 U.S.C. 2304(a)(1) or 41 U.S.C. 3304(a)(1) as implemented in FAR 6.302-1 Only one responsible source and no other supplies or services will satisfy agency requirements.

b. Reason for Authority Cited

233rd Students are required to lodge on-post during training courses. The CJTR Billeting Office is the only on-post organization that provides onpost billeting to unaccompanied soldiers attending training at the 233rd RTI, which is located on Camp Joseph T. Robinson, North Little Rock, Arkansas 72199

7. POSTING REQUIREMENTS

None.

8. CONTRACTING REQUIREMENTS

a. Efforts to Obtain Competition

Requirement is not available for competition due to restrictions/requirement for RTI students to be lodged on-post while attending courses.

b. Actions to Increase Competition

Survey of market conditions for nightly hotel rental rates.

c. Market Research

The 233rd RTI requires students to stay on Camp Robinson while attending courses. The subject requirement is commercial, and pricing is readily available. Historically, a BPA with Camp Robinson Billeting Office has been utilized to procure rooms for RTI students. Commercial hotels are priced at a much higher rate than the CJTR Billeting Office. Commercial hotels are not located on Camp Robinson. The billeting office on Camp Robinson rents rooms, cabins and RV rental spaces to members of the military, retirees and their dependents.

d. Interested Sources

NA

e. Other Facts

The 233rd Regional Training Institute (RTI) of the Arkansas Army National Guard requires students attending Military Occupational Specialty and Advanced Leadership courses at the 233rd RTI to be lodged on-post during course attendance. The Camp Robinson Billeting Office is the only source available to support this on post lodging requirement during soldier training courses.
