

Description: NOTICE OF INTENT TO AWARD SOLE SOURCE

The National Science Foundation (NSF) intends to solicit a sole source proposal from Harbor Lane, Inc. for increased Information Security System Officer (ISSO) support for the National Secure Data Service Demonstration Project (NSDS-D) website. NSF requires increased resources necessary to complete an Authority to Operate (ATO). This requirement will increase the ceiling of the existing award for ISSO services.

The North American Industry Classification System (NAICS) code for this requirement is **541618**, with the size standard of **\$19M**. This notice of intent is not a request for proposals or quotes; however, all responsible sources may submit a quotation and technical capabilities, which, if received by Wednesday, March 31, 2026 may be considered by NSF. All responses must be submitted to the Government point of contact at the email address shown below. A determination by the Government not to open the requirement to competition based upon the responses to this notice is solely within the discretion of the Government.

RESPONSES IN ANY FORM ARE NOT OFFERS AND THE GOVERNMENT IS UNDER NO OBLIGATION TO AWARD A CONTRACT, TASK ORDER, OR OTHERWISE AS A RESULT OF THIS ANNOUNCEMENT. NO FUNDS ARE AVAILABLE TO PAY FOR THE PREPARATION OF RESPONSES TO THIS ANNOUNCEMENT. ANY INFORMATION SUBMITTED BY RESPONDENTS IS STRICTLY VOLUNTARY.
