SYNOPSIS - NOTICE OF INTENT TO SOLE SOURCE. This synopsis is hereby issued in accordance with FAR Subpart 5.1. The purpose of this synopsis is to announce the Naval Air Warfare Command Aircraft Division (NAWCAD) intent to solicit a sole source proposal for the continuation of Tier 1 efforts and completion of Terrain/Radiance Map Generation, additional user and developer documentation, and ARINC interface requirements on the previously awarded Electro-Optical Infrared Direct Injection (EOIRDI) system delivery order (N0042123F0031) against Basic Ordering Agreement N0042122G0004. This requirement will increase ceiling of Tier 1 (CLIN 0001) and establish Option CLINs on the delivery order under Basic Ordering Agreement N0042122G0004 to Northrop Grumman Systems Corporation, 1740 Wehrle Dr, Buffalo, NY 14221.

REQUIREMENTS:

This Statement of Work (SOW) supports the full scope of the EOIRDI project's lifecycle from requirements to system delivery.

This notice is published for informational purposes only and is not a request for quotes or request for information. A determination by the Government not to compete this procurement is solely within the discretion of the Government and the Government is not considering responses to this notice.

These requirements are being pursued on a sole source basis under the statutory authority of Title 10, U.S.C. Section 2304(c) (1), as implemented by Federal Acquisition Regulation (FAR) 6.103-1, 'Only one responsible source and no other supplies or services will satisfy agency requirements.' A determination by the Government not to compete this effort is solely within the discretion of the Government. Information provided herein is subject to change and in no way binds the Government to solicit for or award a contract, or to be responsible for any monies expended by any interested parties before award of a contract for the effort described above. This notice of intent is not a request for competitive proposals.
