Requirement: Fire, Alarm Testing and Maintenance

- **Fire, Alarm Testing and Maintenance, John Cochren STL, VAMC**

The St. Louis VAMC requires a contractor to provide comprehensive, 24/7 preventive maintenance, testing, and repair services for its Notifier by Honeywell fire alarm systems, associated fire alarm devices, pre-action systems, and kitchen wet chemical extinguishing systems. Work includes all labor, materials, equipment, and supervision necessary to support system functionality; testing and maintenance of all fire alarm components and interconnected electromechanical devices; semi-annual service of kitchen hood suppression systems; and testing of sprinkler-system devices that interface with the fire alarm. All parts and materials for routine and emergency repairs must be provided by the contractor, with new replacement parts unless otherwise approved. Contractors must supply their own tools, maintain clean and safe work areas, comply with infection control measures, and follow all applicable NFPA, UL, OSHA, and Joint Commission standards. A pre-award site visit and review of available documentation are required to verify system conditions and device quantities.

It is the responsibility of the interested source to demonstrate to the government that the interested parties can provide the supplies/services that fulfill the requirement. If you are interested, and are capable of providing the sought out services, please provide the requested information as well as the information indicated below. Failure to respond to all questions in this sources sought will determine the interested party as non-responsive which may affect a set-aside decision for a resulting solicitation. Response to this notice should include company name, address, point of contact, size of business pursuant to the following questions:

a. Please provide your UEI number.

b. Please indicate the size status and representations of your business, such as but not limited to: Service Disabled Veteran Owned Small Business (SDVOSB), Veteran Owned Small Business (VOSB), Hubzone, Woman Owned Small Business (WOSB), Large Business, etc.)?

c. Is your company considered small under the NAICS code identified under this RFI?

d. Are you the manufacturer, distributor, or an equivalent solution to the items being referenced
