

Statement of Work

1. Introduction

This statement of work (SOW) outlines the terms and conditions for OPIS. The contractor will provide access to the OPIS Biodiesel Wholesale Rack Report, OPIS Biofuels Daily Report, OPIS East of the Rockies Refined Spot Report, OPIS Intraday Alerts, OPIS Jet Contract Report, OPIS Jet Fuel Report, OPIS Wholesale Rack – Both, OPIS Time Series – Rack Subscription, OPIS Time Series – Refined Spots Subscription, OPIS West Coast Spot Report, OPIS Time Series – Refined Spots Ad-hoc, OPIS Time Series – Basis Charting Ad-hoc, OPIS Time Series – Standard Charting Ad-hoc, OPIS Time Series – Futures Ad-hoc (“Products”). All price assessments will be available via OPIS’s Time Series and via FTP directly into DLA Energy’s EBS.

2. Scope of Subscription

The contractor will grant the Government timely access to the Platform for the duration of the period of performance and ensure its Platform is accessible and operational 99.9% of the time during the period of performance. There will be two (2) authorized users for CLINs 0001 and 0002, and unlimited users for the remainder of the CLINS (0003-0013).

The contractor will provide subscription access via its platform to the following items:

- 0001 - OPIS Biodiesel Wholesale Rack Report
- 0002 - OPIS Biofuels Daily Report
- 0003 - OPIS East of the Rockies Refined Spot Report
- 0004 - OPIS Intraday Alerts
- 0005 - OPIS Jet Contract Report
- 0006 - OPIS Jet Fuel Report
- 0007 - OPIS Wholesale Rack – Both, OPIS Time Series – Rack Subscription
- 0008 - OPIS Time Series – Refined Spots Subscription
- 0009 - OPIS West Coast Spot Report
- 0010 - OPIS Time Series – Refined Spots Ad-hoc
- 0011 - OPIS Time Series – Basis Charting Ad-hoc
- 0012 - OPIS Time Series – Standard Charting Ad-hoc
- 0013 - OPIS Time Series – Futures Ad-hoc (“Products”)

The period of performance is 7/1/2026 - 6/30/2027. The contractor is not authorized to automatically renew service after 11:59 p.m. eastern local time on 30 June 2027 without written authorization. Failure to comply does not constitute justification of payment by Defense Logistics Agency (DLA).

3. Invoicing

The contractor’s original invoice shall be uploaded into Wide Area Workflow (WAWF) system in accordance with clause DFARS 252.232-7003 Electronic Submission of Payment Requests and Receiving Reports. The contractor shall not mail the invoice directly to Defense Finance &

Accounting Service (DFAS). DFAS will not make payment unless the invoice is certified and accepted by a DLA contracting officer through WAWF.
