Response Date: May 4, 2026

2.0 Contracting Office

Global Acquisition (GA)

Note: Responses to the Sources Sought are to be submitted electronically. See Paragraph 6.3, below.

3.0 Purpose

This is a Sources Sought **only**. This Sources Sought is being conducted pursuant to the Federal Acquisition Regulation (FAR) Part 36 *Construction and Architect-Engineer Contracts*. No contract will be awarded from this announcement and no reimbursement will be made for any costs associated with providing information submitted in response to this Sources Sought; all costs associated with responding to this Sources Sought will be solely at the responding party's expense.

This Sources Sought is issued solely for informational and planning purposes; it does not constitute a Request for Quote (RFQ) or any obligation on the part of the Government. Responses to this notice are not offers and cannot be accepted to form a binding contract. The Government is not at this time seeking proposals, nor will it accept unsolicited proposals. The Government will utilize the information provided only to develop the acquisition strategy for a possible future requirement. Failure to respond to this requirement does not preclude participation in the anticipated RFQ (if issued).

****Please be advised that all submissions become property of Government and will not be returned.**

4.0 Acquisition Strategy

A contract is **not** being solicited nor awarded from this announcement; however, if the Government proceeds toward a solicitation/award, a Cost-Plus-Incentive-Fee (CPIF) contract would be most likely.

5.0 Inquiries

All questions regarding this Source Sought must be submitted, in writing via email to GreeneDL@state.gov. Questions will be addressed within a reasonable amount of time, generally no more than 48 hours after receipt.

6.0 Responses

Vendor responses should not exceed ten (10) pages and shall include the completed Market Research Questionnaire and submitted in a PDF file type. The format for the Sources Sought responses is described below:

6.1 Response Format

Sources Sought responses/capability statements should include the following:

1. Contact information:
 - a. Name of company
 - b. UEI number
 - c. NAICS Code
 - d. Business Size
 - e. Institutional or organization affiliation (if applicable)
 - f. Email address
 - g. Phone number
 - h. Primary Point of Contact
2. Brief Summary demonstrating how capable your company can accommodate the requirements listed in the attached Statement of Work.
3. Please provide a notional price estimate to meet the requirements. The Government encourages and invites vendors to provide multiple notional pricing strategies in order to maximize savings for the agency. All price quotes are understood to be theoretical, notional, and nonbinding.
4. Please provide information on your suggested pricing structure.
5. Recommendations on the appropriate NAICS code/PSC for this requirement.

6.2 Response Restrictions

1. Do not submit formal proposals or offers;
