Western Oregon POD2 Server Room Upgrades, Salem, Oregon – Salem County

The Indian Health Service (IHS) is conducting a **SOURCES SOUGHT/REQUEST FOR INFORMATION** as outlined in FAR 15.201(c)(3) to gain knowledge of interest, capabilities, and qualifications of firms especially small businesses including: Native American/Indian-Owned Businesses (Indian Economic Enterprise (IEE)), 8(a) Certified Small Businesses, Historically Underutilized Business Zones (HUB-Zone) Small Businesses, Women Owned Small Businesses, Service Disabled Veteran-Owned Small Businesses (SDVOSB), Small Disadvantaged Businesses (SDB), and Veteran Owned Small Businesses.

Interested firms are requested to reply to this announcement with a submittal as described below.

Please note that a decision not to submit a response to this request for information will not preclude a vendor from participating in any future solicitation.

NO PROPOSALS ARE BEING REQUESTED OR ACCEPTED WITH THIS RFI. THIS IS NOT A SOLICITATION FOR PROPOSALS. Respondents will NOT be notified of the results of this notice. No reimbursement will be made for any costs associated with providing information in response to this notice or any follow-up information requested.

Market Research is being performed pursuant to Federal Acquisition Regulation (FAR) Part 10 to identify businesses capable of performing the functions described herein.

SUMMARY OF SCOPE

This project is for the Western Oregon POD2 Server Room Upgrades on Fee land located in Salem County. Further, this requirement is to execute an upgrade of the HVAC and Electrical systems in the POD 2 Server room at the Western Oregon Service Unit. The existing mini-split system, doesn't meet updated heat load requirements, and the electrical system needs an upgrade, since it is currently unable to support the new IT infrastructure in the server room. Work shall be performed according to the PWS. Further investigation of the site is the responsibility of the contractor. Any permits are the responsibility of the contractor.

In accordance with FAR 36.204, Disclosure of the Magnitude of Construction Projects, the anticipated project magnitude is between \$25,000.00 and \$100,000.00.

The type of work to be performed will be categorized under PSC code of Z2DZ – Repair or Alteration of Other Hospital Building Facilities, and NAICS code 238210, Electrical Contractors and Other Wiring Installation Contractors with a size standard of \$19.0 million.
