1. **Contracting Activity:** Department of Veterans Affairs, Network Contracting Office (NCO) 21 on behalf of VISN 21, VA San Francisco Medical Center at 4150 Clement Street, San Francisco, CA 94121

2237: 662-26-3-6604-0081

2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:** This procurement is for the continuity (as a bridge contract) of the current lease of ScrubEx and aIEx Automated Scrub and Linen Dispensers and Collectors in accordance with FAR RFO 6.103-1.

The referenced equipment is currently being utilized at the San Francisco VA Medical Center under an annual lease, this will be a continuation of the current lease. This lease requirement has been previously procured through L1Enterprises, Inc, a Service Disabled Veteran Owned Small Business (SDVOSB). This action is intended to be a Firm Fixed Price.

The contract is intended for use by the VA San Francisco Health Care System and VA facilities located within the VISN 21 catchment area. The ScrubEx Automated scrub and aIEx Automated linen dispensing and receiving machines are needed by the VA San Francisco VAMC . These machines work in concert with existing VA systems and machines on site as well as each other and limit users to one scrub set and linen at a time. The required machines work with the current tracking software which allows use of the current user database. The dispensers and receivers are strategically placed throughout the hospital to ensure just-in-time (JIT) delivery to authorized users. AIEx SD and AIEx LC will allow the Service to reduce costs while at the same time monitor the distribution of linen by Environmental Management Service (EMS) management staff. This system stores data on who received linen, it's weight and cost amount.

3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:** This request is proprietary and only has one (1) small business that's socio-economic status is service-disabled veteran-owned and are exclusively authorized to distribute for IPA scrubEx® and alEx® leases at the VA San Francisco Healthcare System. An exclusive authorized distributor letter was obtained by the Contract Specialist demonstrating that a sole source to L1 Enterprises was prudent.

This action is a bridge until 09/30/2026, as the incumbent contract has already expired. Competition will be re-examined prior to a new multi-year contract.
