DESCRIPTION

This Sources Sought Notice is intended for information and planning purposes only at this time and shall not be construed as a solicitation or as an obligation on the part of the Department of Veterans Affairs. Because this is a Sources Sought announcement, no evaluation letters and/or results will be issued to the respondents. No solicitation exists. Therefore, do not request a copy of a solicitation.

The Department of Veterans Affairs (VA), VISN 4, Network Contracting Office 4 (NCO 4), Commodities 1 is seeking information and potential qualified sources capable of providing the equipment listed below.

Please note that a preference will be given to US-manufactured equipment, and it will be required for all interested parties to include information where the product offered is manufactured.

Department of Veterans Affairs

Wilkes Barre VA Medical Center

Statement of Need

Title: Brand Name or Equal Ameri-Shred model number (MWS-21005) Dual shaft industrial style medical waste shredder.

Background: The Wilkes Barre VA Medical Center (WBVAMC), Station 693, located at 1111 East End Boulevard, Wilkes-Barre, Pennsylvania, has an immediate need for one (1) Brand Name or Equal Ameri-Shred Medical waste shredder. To fulfill this requirement, we seek to procure a brand name or equivalent unit to model Ameri-Shred model number (MWS-21005) Medical Waste Shredder Series 1, dual shaft industrial style shredder to support the continued workload within our Supply Chain department. Our department currently has about 4 staff doing destruction approximately 2 hours a week. When disposing of some materials we must use specialized containers that cost more than trash for disposal. This product will increase productivity, decrease time and cost, and decrease potential injuries presented by completing this task by hand.

Scope of Work: The Wilkes Barre VA Medical Center has a requirement for one (1) Brand Name or Equivalent Ameri Shred dual shaft industrial medical Waste style shredder. The contractor shall provide all resources necessary to accomplish the deliverables described in this statement of need (SON), including Delivery, Installation, and Training. Solicitation from offerors must equal, meet, or exceed the below specifications and requirements. The shredder will be used to process various types of medical waste, reducing their size for safe and compliant disposal.

Type of Contract: Firm Fixed Price Procurement, Brand Name or Equivalent

Salient Characteristics: Contractor must provide a brand name or equal shredder that meets or exceeds the following specifications:

- **Motor must be capable of 5 HP, 208V 3PH 60HZ**
- **Must have a user-friendly touch screen interface for ease of operation**

Sources Sought Notice

- Must be able to cut/shred small items like syringes
- Emergency stop button and protective covers on all moving parts for safety
- Have automatic reverse
- The hopper should have a minimum size of approximately 43" x 38" (width x depth) or larger to facilitate the feeding of large waste items.
- The equipment must meet or exceed regulatory standards for medical waste processing, ensuring safety and compliance
- Blades must be able to shred plastic, metals, textiles, syringes, paper and cloth material,
& Constructed of Hardened, High Strength Alloy Material
- The shredder should be built with high-strength steel and corrosion-resistant materials to enhance durability
- The shredder must meet or exceed OSHA (Occupational Safety and Health Administration) and EPA (Environmental Protection Agency).
- The unit should come with at least a 1-year manufacturer's warranty that covers parts and labor, and access to customer and technical support should be available for troubleshooting and maintenance needs.
- Powered coat finish to help the machine last longer color can be standard or equivalent to Traffic Blue RAL#5017
- Solicitors must meet or exceed the brand name or equivalent requirement or will not be considered.

Delivery/Deliverables

The contractor must deliver and install a new brand name or equivalent medical waste shredder, along with training the warehouse staff on using the unit safely.

The contractor must deliver and install the shredder to the Wilkes-Barre VA Medical Center located at 1111 East End Boulevard, Wilkes-Barre, PA 18711- during regular business hours which are Monday -Friday 8am -4pm excluding weekends and all Federal Holidays.

The installation must be completed by qualified personnel and include operational training for our staff. Delivery should be made within 60 days after the contract is awarded and all deliverables and accessories should be made at the same time, along with any training needed.

Responses to this Sources Sought Notice should include answers to the following questions:
