1. L.3.4 is updated to the following:

Proposals are due no later than 4:00 p.m. Eastern Time (ET) on September 23, 2022.

...

2. L.5.2.2.3 is amended to the following:

**L.5.2.2.3 Demonstrating Experience with Multiple Federal Government Customers
(Federal Government Customer is determined by the Funding Agency ID identified
within the FPDS-NG Report)**

For each Relevant Experience Project submitted under L.5.2.2, the Offeror will receive additional points for each additional unique Federal Government Customer represented beyond the first unique Federal Government Customer. A Federal Government Customer is determined by the Funding Agency ID identified within the FPDS-NG Report.

For example, one Relevant Experience Project with Funding Agency ID 4732 (GSA/Federal Acquisition Service) and another Relevant Experience Project with Funding Agency ID 2100 (Department of the Army) would qualify as two Federal Government Customers. Submitting two Relevant Experience Projects with Funding Agency ID 4732 (GSA/Federal Acquisition Service) would only qualify as one Federal Government Customer and the second Project with the same Funding Agency ID would not meet the requirements of this section for additional points.

Verification: The Offeror must provide a FPDS-NG Report that indicates the Funding Agency ID for verification purposes.

For projects without an FPDS-NG Report, the Offeror must provide contract documentation that unequivocally demonstrates the Federal Government Customer for the claimed Funding Agency ID along with verification of the project in accordance with L.5.2.2.1.1(2).

3. L.5.2.2.4 is amended to the following:

L.5.2.2.4 Projects with Cost-Reimbursement (Federal Government Contracts Only)

These points are only available for Relevant Experience Projects performed as a prime contractor to the Federal Government.

For up to two Relevant Experience Projects submitted under L.5.2.2, the Offeror will receive additional points if the Projects (either the contract or a specific CLIN) are United States Federal Government Cost-Reimbursement, specifically any of the cost-reimbursement contract types specified under FAR Subpart 16.3, Cost-Reimbursement Contracts.

Verification: The Offeror must provide an FPDS-NG report that indicates a cost-reimbursement contract type. If the FPDS-NG report does not indicate a cost-reimbursement contract type (or no FPDS-NG report is available for the project), then the Offeror must provide verification in accordance with L.5.2.2.1.1(2) including contract award documentation that indicates a cost-reimbursement contract type (for the contract or a specific CLIN). CLINs for travel costs are not acceptable verification for this element.

4. L.5.2.2.5 is amended to the following:

L.5.2.2.5 Task Order Award Against a Multiple-Award Contract (Federal Government Contracts Only)

These points are only available for Relevant Experience Projects performed as a prime contractor to the Federal Government.

For each Relevant Experience Project submitted under L.5.2.2, the Offeror will receive additional points if the Project is a task order awarded against a Federal Government multiple-award contract as defined in Section L.5.2.1 above. Task orders placed against a Multiple Award Blanket Purchase Agreement or a Multiple Award Basic Ordering Agreement are also eligible for scoring for this element. As defined in FAR Part 2, *Task order* means “an order for services placed against an established contract or with Government sources.”

Verification: The Offeror must provide both the task order FPDS-NG and an FPDS-NG Report for the multiple-award Contract that indicates “Multiple Award” within the “Multiple Or Single Award IDV” field for verification purposes. If the FPDS-NG reports do not provide this verification (or no FPDS-NG report is available for the project), then the Offeror must provide contract documentation that unequivocally demonstrates the task

order award against a multiple-award contract along with verification of the task order in accordance with L.5.2.2.1.1(2).

5. L.5.2.2.6 is amended to the following:

L.5.2.2.6 Relevant Experience Project in an Outside the Contiguous United States (OCONUS) Location (Federal Government Contracts Only)

For a Relevant Experience Project submitted under L.5.2.2, the Offeror will receive additional points for Projects for services performed as a prime contractor on a government contract in an OCONUS location.

OCONUS work locations include the non-foreign work areas of Alaska and Hawaii; the Commonwealths of Puerto Rico, Guam, and the Northern Mariana Islands; and the territories and possessions of the United States (excluding the Trust Territories of the Pacific Islands) as well as foreign work areas (any country or nation outside of the United States of America).

Temporary Duty Assignments (TDY) fewer than 180 consecutive calendar days will not be considered for credit. All or a portion of the work must have been performed in an OCONUS location for greater than 180 calendar days.

Verification: The Offeror must provide an FPDS-NG report that indicates the principal place of performance location was an OCONUS location. If the FPDS-NG report indicates that the principal place of performance was a CONUS location (or no FPDS-NG report is available for the project), then the Offeror must provide a copy of the contract SOW or documents from the contract that detail the OCONUS location(s) at which work was performed, contract award form and an authorized signature as described in L.5.2.2.1.1(2).
