

**Polaris Governmentwide Acquisition Contract
Women-Owned Small Business Pool
Solicitation Number 47QTCB22R0003
Preaward Notice for Women-Owned Small Business Program
Phase One**

This is a written announcement to all interested parties. The table below represents the initial list of apparently successful offerors in response to Solicitation Number 47QTCB22R0003 for the Polaris Governmentwide Acquisition Contract (GWAC) Women-Owned Small Business Pool. This announcement fulfills the notice requirements in FAR 15.503(a)(2).

The Government will not consider subsequent revisions of offerors' proposals. No response is required unless a basis exists to challenge the size or status of an apparently successful offeror listed below. Only size and status challenge protests will be considered at this time and they will be referred to the U.S. Small Business Administration.

IMPORTANT NOTE: GSA will make Polaris WOSB awards using a phased award approach, which GSA determined to be in the best interest of the Government and in accordance with Solicitation Section M.3, Evaluation Process. This is the first preaward notification for the Polaris WOSB Pool. GSA intends to proceed in phases as offerors are eligible for award in accordance with Section M.3 of the solicitation. Evaluations of the remaining proposals will continue. If you have not received notification with this phase, please understand that your proposal is still under consideration and you have not been eliminated from competition. You will be notified of the status of your offer during a later award phase. Debriefings are not planned for this phase as no offeror has been eliminated from competition.

Written correspondence may be sent to the contracting officer at polaris@gsa.gov.
