Sources Sought Notice

DESCRIPTION

THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS IS NOT A REQUEST FOR PROPOSAL.

This is a Sources Sought Notice for market research. Information is to be used primarily for planning purposes in accordance with Federal Acquisition Regulation (FAR) Part 10. This announcement does not constitute a Request for Quote (RFQ) and does not commit the Government to solicit or award a contract now or in the future. Responders are advised that the U.S. Government will not pay for any information or administrative costs incurred in response to this Sources Sought Notice.

Purpose: The Department of Veterans Affairs (VA) is seeking to identify contractors capable of performing the specified requirement below:

Requirement: Sacramento VA Medical Center – VA Northern California Health Care System (VANCHCS) Stockton Engineering & Logistics Building requires Shelving Units to outfit the new facility to provide member services for the Veterans Health Administration (VHA). The scope of this purchase order is to provide VA Stockton products that meet or exceed the specifications laid out in these sections. The delivery schedule is based upon the current construction schedule, which is subject to change. The vendor shall not increase prices for a change in delivery date due to construction delays. All equipment to be supplied under the specifications shall be the newest and the most current model of a standard product of a manufacturer of record.

Location: Richard A. Pittman Stockton VA Community Based Outpatient Clinic
6505 S. Manthey Rd
French Camp, CA 95231

GENERAL REQUIREMENTS

Firms responding shall specify they can meet the required specifications:

- See Statement of Work

Contractors shall provide:

- A completed copy of Business information listed below with a capabilities statement.

If during the performance of this contract, work will be carried out on VA Stockton Engineering & Logistics Building premises, the vendor shall perform all work in such a manner that will cause a minimum interference with operations and the operations of other contractors on the premises.

The vendor shall communicate through the VA POC any required coordination requirements with the General Construction contractor prior to and during delivery and installation activities.

The project may be an active construction site during delivery and installation. The vendor shall take all necessary precautions to protect the premises and all persons and property therein from

Sources Sought Notice

damage or injury. The vendor shall assume responsibility for taking precautions for the vendor's (and associated subcontractors') employees, agents, licensees, and permittees. The vendor shall abide by any safety requirements imposed by the GC (e.g. hard hats, safety vests).

The associated North America Classification Systems (NAICS) Code is **337215** and the Business Size Standard is **1,100 employees**. The PSC is **7125 Cabinets, Lockers, Bins, and Shelving**

Only written responses will be accepted at this stage. Do not submit additional documentation or attachments outside these requirements unless your company POC receives a direct request in writing by the Contracting Officer. Information is being gathered for market research purposes only.

Questions must be addressed in writing to the Contract Specialist. If your organization can provide these services and is interested in this opportunity, please respond to Contract Specialist, Amelia Roberson via e-mail at Amelia.Roberson1@va.gov with the above information.

Complete the information in the table listed below.
