Solicitation Number 47QTCB22R0003
Notice of Award**

This is a written announcement to all interested parties. The U.S. General Services Administration (GSA) would like to share the good news about four additional contract awards under the Polaris Governmentwide Acquisition Contract (GWAC) Women-Owned Small Business (WOSB) Pool. This announcement fulfills the notice requirements in FAR 5.3. No offeror is eliminated from award consideration and further award phases are planned. Debriefing letters will be provided once all award phases are completed. The phased award approach is determined to be in the best interest of the Government and is in accordance with Section M.3 of the solicitation.

GSA appreciates the robust competition for the Polaris WOSB Pool. After review and evaluation in accordance with the criteria established in the solicitation, GSA has determined to make an additional award to four offerors eligible for award. Offerors not identified below were not within this phase of Highest Technically Rated with Fair and Reasonable Pricing Offerors and remain eligible for further award phases.
