THIS IS A SOURCES SOUGHT ANNOUNCEMENT ONLY.

No Solicitation is currently available.

The intent of this Sources Sought Announcement is to assist in our decision-making process for services procurement. **This is not a solicitation, nor request for quotes or proposals.** Through the receipt of responses, this will enable a more precise type of procurement process. The Government is not obligated to, nor will it pay for or reimburse any costs associated with responding to this sources sought synopsis request. This notice shall not be construed as a commitment by the Government to issue a solicitation or ultimately award of a contract, nor does it restrict the Government to a particular acquisition approach. Any inquiries are to be made in writing by email to the point of contact, Keturah Busey, Contract Specialist. Responses to this notice shall be sent by email to Keturah.busey@va.gov by the due date and time of 4/6/2026 by 3:00 P.M. (Pacific Time).

The VA Sierra Nevada Health Care System (VASNHCS) located in Reno, NV requires Test and Balance (TAB) services of air flows at VA Sierra Nevada Health System (VASNHCS). The Contractor must perform testing, adjusting, and balancing of the air flows on approximately 52 rooms plus two corridors (52 rooms) annually and four Sterile Processing Service (SPS) rooms/2 corridors quarterly. Positive Negative checks occur annually for 78 rooms. On occasion, additional spaces at VASNHCS may be required to be tested and balanced as needed to ensure the air flows meets the standards as required per the HVAC Design Manual.

The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to conduct the TAB at VASNHCS as defined in this Performance Work Statement (PWS) except for those items specified as government furnished property and services. The contractor shall perform to the standards in this contract.

Please see Performance Work Statement (PWS) for more information and the mandatory requirements that must be met.

Potential Offerors must be registered in the System for Award Management (SAM) to be eligible for an award (See Internet Site <https://www.sam.gov/portal/public/SAM/>). Potential Offerors must also have a current Online Representations and Certification Application on file with SAM.

Before responding please carefully read and consider the following:

As this is a service acquisition, the Small Business Administration and the Federal Acquisition Regulation have a Limitations on Subcontracting requirements. For all small businesses, to include SDVOSB and VOSB, "it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service

portion of the contract.” See FAR 52.219-14 and FAR 52.219-27 available in full text at https://www.acquisition.gov/far/html/52_217_221.html
