

Salient Characteristics

737 TRG

1618 Truemper St. Bldg. 6420

JBSA-Lackland, TX 78236-5448

Purpose: Purchase Cobra PX650 Two-Way Radios with 6-Port Charging Dock

2. Background

Intent is to use these Cobra PX650 Two-Way Radios for our BMT Small Teams Training (by element) prior to PACER FORGE deployment in 6 WOT (week of training).

- For one WG, and 18-flight average = 72 teams/elements (1 flight = elements)
- For all BMT ops with 8 Week Groups, it would at high end be 576 small teams.
