

Request for Information-Market Survey

Air Marine Interdiction Mock Training Facility

Federal Law Enforcement Training Center (FLETC) Glynco, GA

The US Army Corps of Engineers (USACE), Savannah District, is conducting additional market research to identify potential parties having interest in and capability of performing construction specialty trade services for the construction of a mock training facility with the requirement of a Project Labor Agreement (PLA).

Based on the responses to this request for information notice, this project may include the requirement for a PLA. All Small Business Set-Aside categories will be considered. Telephone inquiries will not be accepted or acknowledged, and no feedback or evaluation will be provided to companies regarding their submissions. The Government will consider feedback received in determining if a PLA is appropriate for this requirement.

DISCLAIMER: This request for information is for information purposes only; **it is not a request for competitive proposals, quotations, or bids.** It does not constitute a solicitation and shall not be construed as a commitment by the Government. Responses in any form are not offers and the Government is under no obligation to award a contract as a result of this announcement. No Funds are available to pay for preparation of responses to this announcement. Any information submitted by respondents to the announcement is strictly voluntary and will not be returned to the responder. Incomplete answers in any section or providing information outside the scope of this announcement may remove respondents from the Government's determination of whether to solicit the referenced project with a PLA requirement. Not responding to this notice does not preclude participation in any future request for competitive proposals, quotations, or bids, if any issued. If a solicitation is released, it will be synopsisized on the Governmentwide Point of Entry (GPE). It is the responsibility of potential offerors to monitor the GPE for additional information pertaining to this requirement.

The applicable NAICS code for this requirement is **236220 – Commercial and Institutional Building Construction** with a Small Business Size Standard of **\$45M**. The Product Service Code is **Y1JZ - Construction of Miscellaneous Buildings**. Businesses of all sizes are encouraged to respond; however, each respondent must clearly identify their business size in the request for information-market survey form.

Construction Magnitude: The estimated magnitude of this construction project is between **\$25,000,000 and \$100,000,000**.

Project Description: The Government intends to design and construct four new facilities at Federal Law Enforcement Training Center (FLETC) Glynco, GA, using a Design-Build Done Right delivery approach. The project includes three large, open-span

mock training buildings, each approximately 30,000 gross square feet, and one administration building of approximately 9,500 gross square feet. All facilities will comply with applicable FLETC and CBP design standards and security requirements. The project will be constructed on a currently undeveloped, forested site with existing creeks that will be incorporated into the stormwater management design. Work will also include all associated site development, including utilities, site lighting, paving, parking, sidewalks, storm and sanitary sewer systems, curbs and gutters, information systems infrastructure, landscaping, and signage.

The anticipated period of performance for construction is **1,460 calendar days after issuance of the Notice to Proceed.**

All interested parties, with **236220 – Commercial and Institutional Building Construction** as an approved NAICS code, are requested to submit a response to the Market Survey via the link provided in this announcement no later than **April 14, 2026, at 5:00pm EDT.**

NOTE: The only authorized transmission method of responses is via filling out the survey form. No other transmission method will be accepted. The Request for Information-Market Survey form can be accessed at <https://forms.osi.apps.mil/r/y8Sn4HxAU3> or via the QR code provided below. The points of contact for this Sources Sought Notice is Contract Specialist, Mr. Brandon Moore at Brandon.P.Moore@usace.army.mil and the Contracting Officer, Mr. Jason Scheil at Jeremiah.J.Scheil@usace.army.mil.
