UNLIQUIDATED OBLIGATIONS

UNLIQUIDATED OBLIGATIONS

The Government intends to unilaterally deobligate any unliquidated obligations 90 days after each period of performance. Prior to doing so, the Contracting Officer (or Administrative Contracting Officer) will notify the contractor of the intended amount of deobligation and ask the contractor to confirm within one week that all invoices for the completed period of performance have been submitted and processed for payment (with the exception of any invoice for rate adjustment upon receipt of DCAA approved final rates for any cost-type CLINs or SLINs). Upon confirmation that all invoices have been submitted and processed for payment, or upon the contractor's failure to respond to the PCO/ACOs notification of intent to deobligate, the Contracting Officer or Administrative Contracting Officer will unilaterally deobligate the potential ULOs by reducing the funded amount to an amount equal to the contractors invoiced/paid amount for that contract period of performance.

Note: Reduction of cost-reimbursement CLINs or SLINs in accordance with the above DOES NOT change either party's obligations under a Final Invoice submitted upon DCMA establishing final rates for each CLIN and or SLIN.
