

NOTICE OF INTENT TO NEGOTIATE A SOLE-SOURCE CONTRACT

The U.S. Department of Commerce (DOC), National Oceanic and Atmospheric Administration (NOAA), Acquisition and Grants Office (AGO), Eastern Acquisition Division (EAD) and the Office of Marine and Aviation Operation (OMAO), intends to negotiate on a sole source basis, under the statutory authority of Revolutionary Federal Acquisition Regulation Overhaul (RFO) Part 12 with Allied Systems Company the Original Equipment Manufacturer for a boom assembly (davit arm) and hydraulic cylinder for the work boat davit installed on the NOAA Ship Oscar Dyson.

The NOAA Ship Oscar Dyson is currently in need of replacement parts to convert a small boat davit for use on the NOAA Ship Oscar Dyson's work boat. Conversion of the work boat davit is necessary in order to carry the new work boat that is assigned to the Oscar Dyson. The current davit arm is designed for a boat without a cabin however, the new work boat has a cabin which requires the davit arm to be replaced with an upgraded model. The upgraded davit arm and hydraulic cylinder will be installed during the Oscar Dyson's Mid-life repair.

The associated North American Industry Classification Code (NAICS) code is 336611 Ship Building and Repairing, with a business size standard of 1,300 employees.

This notice does not constitute a solicitation, Request for Proposal (RFP), Request for Quotation (RFQ), or an Invitation for Bid (IFB) and it does not restrict the Government in any way regarding its ultimate acquisition approach. However, if any other interested party believes that it can meet the requirements, it may submit a statement of capabilities, which if timely received, will be considered by NOAA. A determination by the Government not to compete this proposed requirement based upon responses to this notice is solely within the discretion of the Government. Evidence must provide the ability to complete the required services. The capability statement and any other information furnished must be in writing and must contain material in sufficient detail to allow NOAA to determine if the party can meet all of the requirements. Capability statements and related materials must be e-mailed to Contract Specialist Shawn Griscom at Shawn.Griscom@noaa.gov by 12:00 PM EST on April 15, 2026.

DOC/NOAA/AGO/EAD requires that all contractors doing business with this office be registered with the System for Award Management (SAM). No award can be made to a company not registered in SAM. For additional information and to register in SAM, please access the following web site: www.sam.gov. To register, all contractors must have a Unique Entity ID (UEI). A UEI may be acquired free of charge by registering at <http://https://sam.gov/content/entity-registration>.
