

KOSMOSS RFI #2

* Required

General Information

1. Company Name *

2. Company Address *

3. Primary POC: Name and Email *

4. Company Cage Code *

Section 2.1: Strategic Interest and Role

5. Please select all Strategic Pillars and supporting capabilities you are interested in pursuing: (Select all that apply) *

- ☐ Space Electromagnetic Warfare Systems
- ☐ System Engineering & Integration (SE&I)
- ☐ Optical Ground-based telescopes
- ☐ Ground-based radars
- ☐ Software/SDA Mission processing
- ☐ Infrastructure/networks
- ☐ Common supporting functions

6. If you selected "Common Supporting Functions" in Question 1, please check which common supporting functions would apply. (Select all that apply)

- ☐ Cyber hygiene
- ☐ Testing support
- ☐ Training support
- ☐ Configuration management (CM)
- ☐ Data management (DM)
- ☐ Media archive management

7. What is your company's preferred role for this IDIQ? *

- ☐ Prime Contractor
- ☐ Subcontractor
- ☐ Both Prime and Sub-Contractor are of interest

Section 2.2: System Engineering and Integration (SE&I)

8. Has your company served as the designated lead Program Integrator on a multi-system, multi-vendor contract of similar scope? For the purposes of this question consider scope to include the strategic pillars listed in the narrative RFI document (also question 1 of this survey). *

☐ Yes

☐ No

9. On a scale of 1 (Novice) to 5 (Expert), please rate your company's proficiency with the following: Reading and interpreting DoDAF 2.0 artifacts, Authoring and maintaining MBSE models *

1

2

3

4

5

10. Which MBSE tools does your company have direct, hands-on experience with? (Select all that apply) *

☐ Cameo Systems Modeler / MagicDraw

☐ Sparx Systems Enterprise Architect

☐ IBM Rhapsody

☐ Other

Section 2.3 & 2.3.1: Space Electromagnetic Warfare (SEW)

11. For which of the following areas does your company have direct experience supporting the SEW mission? (Select all that apply) *

- ☐ System Sustainment
- ☐ Corrective/Preventive Maintenance
- ☐ Capability Modernization/Upgrades
- ☐ Operations within the SEWTOC
- ☐ None of the above

12. Does your company possess an active facility clearance and personnel to perform work at overseas locations where ITAR restrictions apply? *

- ☐ Yes
- ☐ No

Section 2.4: Common Supporting Functions

For this section, please rate your company's level of experience (1=None, 5=Expert) for each of the common supporting functions.

13. Cyber Hygiene *

1	2	3	4	5
---	---	---	---	---

14. Testing Support *

1	2	3	4	5
---	---	---	---	---

15. Configuration Management (CM) *

1	2	3	4	5
---	---	---	---	---

16. Data Management (DM) *

1	2	3	4	5
---	---	---	---	---

17. Media Archive Management *

1	2	3	4	5
---	---	---	---	---

Section 2.5 & 2.5.1: Contractor Logistics Support (CLS)

18. Which of the following methodologies has your company used for demand forecasting in a contested global logistics environment? (Select all that apply) *

- ☐ Time Series Analysis (e.g., ARIMA, Exponential Smoothing)
- ☐ Machine Learning-based Forecasting
- ☐ Causal Models (e.g., regression analysis)
- ☐ Spares modeling based on Reliability/Maintainability (RAM) data
- ☐ None of the above
- ☐ Other

19. Does your company currently manage pre-positioned inventory/spares at a global scale (i.e., across multiple continents)? *

- ☐ Yes
- ☐ No

Section 2.6 & 2.6.1: Depot Sustainment and Data-Driven Efforts

20. In which of the following areas do you have direct depot-level sustainment experience? (Select all that apply) **Note: For the purposes of this question, "Direct" means the core sustainment work was performed by your company's personnel and was not subcontracted to another party.** *

- ☐ Ground-based telescopes
- ☐ Ground-based radars
- ☐ Software/SDA mission processing
- ☐ Infrastructure/networks
- ☐ Space electromagnetic warfare systems
- ☐ None of the above

21. Please rate your company's direct, hands-on depot sustainment experience (1=None, 5=Expert) in **Ground-based telescopes**.
Note: "Direct" experience means the core work was performed by your company's personnel, not subcontracted.
Leave blank if your capability in an area is primarily managing subcontractors. *

1	2	3	4	5
---	---	---	---	---

22. Please rate your company's direct, hands-on depot sustainment experience (1=None, 5=Expert) in **Ground-based radars**.
Note: "Direct" experience means the core work was performed by your company's personnel, not subcontracted.
Leave blank if your capability in an area is primarily managing subcontractors. *

1	2	3	4	5
---	---	---	---	---

23. Please rate your company's direct, hands-on depot sustainment experience (1=None, 5=Expert) in **Software/SDA mission processing**.
Note: "Direct" experience means the core work was performed by your company's personnel, not subcontracted.
Leave blank if your capability in an area is primarily managing subcontractors. *

1	2	3	4	5
---	---	---	---	---

24. Please rate your company's direct, hands-on depot sustainment experience (1=None, 5=Expert) in **Infrastructure/networks**.

Note: "Direct" experience means the core work was performed by your company's personnel, not subcontracted.

Leave blank if your capability in an area is primarily managing subcontractors. *

1	2	3	4	5
---	---	---	---	---

25. Please rate your company's direct, hands-on depot sustainment experience (1=None, 5=Expert) in **Space electromagnetic warfare systems**.

Note: "Direct" experience means the core work was performed by your company's personnel, not subcontracted.

Leave blank if your capability in an area is primarily managing subcontractors. *

1	2	3	4	5
---	---	---	---	---

26. Which RAM metrics have you used to measure system performance and trigger sustainment actions? (Select all that apply) (Use other if N/A) *

☐ Mean Time Between Failure (MTBF)

☐ Mean Time To Repair (MTTR)

☐ Operational Availability (Ao)

☐ System Uptime/Downtime

☐ Other

Section 2.7 & 2.7.1: DevSecOps and Site Reliability Engineering (SRE)

27. Which agile frameworks has your company successfully implemented on a government program?
(Select all that apply) (Use other if N/A) *

- ☐ Scrum
- ☐ Kanban
- ☐ Scaled Agile Framework (SAFe)
- ☐ Lean
- ☐ Extreme Programming (XP)
- ☐ Feature-Driven Development (FDD)
- ☐ Other

28. Has your company operated a 24/7/365 support function for a full-stack software solution under an SRE model? *

- ☐ Yes
- ☐ No

29. Have you successfully implemented adaptive software release planning driven by real-time customer/user/government mission needs, independent of fixed Program Increment (PI) schedules? *

- ☐ Yes
- ☐ No

Section 2.8 & 2.8.1: Contract Types and Incentive Experience

30. Which of the following contract types has your company performed on as a prime contractor?
(Select all that apply) *

- ☐ Firm-Fixed-Price (FFP)
- ☐ Cost-Plus-Fixed-Fee (CPFF)
- ☐ Cost-Plus-Incentive-Fee (CPIF)
- ☐ Cost-Plus-Award-Fee (CPAF)
- ☐ Time and Materials (T&M)
- ☐ Other

31. Has your company performed on a contract where incentive fees were explicitly tied to achieving specified RAM metrics (e.g., MTBF, Ao)? *

- ☐ Yes
- ☐ No

Section 2.9: Classified Program Experience and Clearances

32. What is your company's current, adjudicated Facility Clearance Level (FCL)? *

- ☐ No Facility Clearance
- ☐ Confidential
- ☐ Secret
- ☐ Top Secret
- ☐ Top Secret / Sensitive Compartmented Information (TS/SCI)
- ☐ Other

33. Does your company have an established process and in-house personnel (e.g., Facility Security Officer) for sponsoring and managing employee security clearances? *

- ☐ Yes
- ☐ No

34. Is your company actively in the process of obtaining a higher Facility Clearance Level than you currently hold? *

- ☐ Yes
- ☐ No

35. What is the target classification level your company is pursuing *

- ☐ Secret
- ☐ Top Secret
- ☐ Top Secret / Sensitive Compartmented Information (TS/SCI)

36. What is the estimated completion date for this new Facility Clearance Level adjudication? *

Small Business Consideration

37. The Government is open to a variety of NAICS codes for responses to this announcement. Please state what NAICS code(s) your company believes could be appropriate for this work. *
