In the event fires do occur, the Contractor shall immediately notify the Base Fire Department at 911. The Contractor shall then notify the requiring activity and the CO. The Contractor shall brief and document its employees monthly in fire safety issues and procedures in reporting fires.

10.8.6 Inclement Weather. If the base closes due to inclement weather, the Contractor will be released, by the installation commander, with the general population of the base at no decrement to contract price. The Contractor will follow the local procedures for reporting in inclement weather as advertised on local television and radio stations.

## **SECURITY REQUIREMENTS**

### **11.0 SECURITY REQUIREMENTS**

All Contractor employees will be subject to a criminal history background check IAW DoDM 5200.08V3\_AFMAN 31-101V3, Installation Perimeter Access Control, and 412th Test Wing Base Defense Plan (BDP) 31, Volume I (the AFMAN and BDP are both limited access documents but more details on the requirements/process in terms of background checks can be provided by the Contracting Office upon request). Vehicle registration, proof of insurance, and a valid driver's license must be presented for vehicles. Installation Commanders may deny access and credentials based on information obtained during identity proofing and vetting that indicates the individual may present a threat to the good order, discipline, and morale of the installation.

Base Access. For Contractor personnel requiring frequent base access to perform work at Edwards AFB will be granted access via an Edwards AFB Form 496, Application for Defense Biometric Identification System (DBIDS) Card. The Prime Contractor shall submit a written request on company letterhead to the CO with the following information (prior to submitting a request for Base access via an Edwards AFB Form 496): 1) contract number, 2) location of work, 3) contract start and stop date (must be on or before contract's expiration date), and 4) names of employees/ subcontractor employees needing access to the base, to include each employee's company name.

It is recommended that the Prime Contractor provide a copy of the request letter to each employee for verification purposes when the employee comes to the Contracting Office at Building 2800 to get their Edwards AFB Form 496 signed. Employees for which no request letter can be found or provided will result in the employee being asked to return on another date/time so verification can be made.

Base passes will be limited to the length of the contract not to exceed 3 years from the date the Edwards AFB Form 496 is submitted to the Contracting Office for signature.

The Edwards AFB Form 496 will be reviewed/approved by the CO, then taken by the Contractor employee to the Edwards AFB Pass & Registration Office in Building 3000, or the Visitor Control Center in Building 1004, for authentication and issuance of the Base pass.

The contractor shall comply with all base security regulations. Additionally, the contractor shall comply with actions dictated by force protection condition (FPCON) changes/measures and/or health protection condition (HPCON) changes/measures. For real-world situations/exercises, changes to force/health protection conditions could impact contractor performance of work and can include denial of access to the installation to perform work

Only employees who will be working on the contract consistently/frequently should be submitted for a long-term Base pass.

The Contractor shall comply with all security requirements imposed by the Installation. Specific security considerations will be handled on an individual Task Order/contract basis as required.

The contractor shall report suspicious activity (refer to Edwards AFB Contractor Antiterrorism Awareness pamphlet) to Security Forces at 661-277-3340 in a timely manner.

The Contractor and its employees shall comply with all base traffic regulations.

Visitors/contractors with driver's licenses and ability to obtain base access without another form of identification as an identity proofing document. As proof of identify, the Department of Defense will accept State-issued driver's licenses and identification cards only if they meet the Real ID Act standards, from all U.S. States and territories as proof of identity. The Contractor shall possess a credential compliant with the REAL ID Act of 2005 or an acceptable alternate identification credential. Please visit the Department of Homeland Security's (DHS) website to get the latest information, <https://www.dhs.gov/current-status-states-territories>.

Contractor shall maintain and make available to the GPM, within 30 days after award, records of Antiterrorism Awareness Level I required training of contractor employees and subcontractor employees who require routine physical access to the installation via 30 day pass, DBIDS Access card or Common Access Card (CAC), both initially and annually thereafter. AT Level I training provides contractor employees with the requisite knowledge necessary to remain vigilant for possible terrorist threats. Level I AT Awareness Training may be taken at <https://jkodirect.jten.mil/Atlas2/page/login/Login.jsf> for non-CAC holders. CAC holders may complete AT Level I training (Force Protection course ZZ133079) via myLearning at <https://lms-jets.cce.af.mil/moodle/>. Tracking for each contractor or subcontractor employee is the responsibility of the COR or unit Antiterrorism Representative.

The Contractor shall be responsible for safeguarding all government property, equipment and materials provided for Contractor use. At the end of each work period, all government facilities, equipment, and materials shall be secured.

During performance of the contract, the Contractor shall be responsible for obtaining required identification for newly assigned personnel.

The Contractor shall be responsible for prompt return of credentials and vehicle passes for: 1) any employee who no longer requires access to the work site; 2) upon request by a CO; and 3) upon completion or termination of the contract. The Prime Contractor shall ensure that all Base identification passes issued to employees and subcontractor employees are returned to the issuing office. Failure to comply with these requirements may result in the withholding of payment.

Contractor employees are prohibited from possessing weapons, firearms or ammunition, on themselves or within Contractor-owned or privately owned vehicle while on Edwards AFB.

- 11.1 OPSEC-The Contractor shall comply with DOD, USAF, and locally established Operations Security (OPSEC) policies and procedures to protect sensitive and unclassified information and/or equipment, which is furnished to and operated by the Contractor, and prevent compromise of classified information and equipment.

Contractor shall maintain Operations Security (OPSEC) in accordance with DOD Directive & Manual 5205.02, DOD Operations Security (OPSEC) Program, AFI 10-701, Operations Security (OPSEC), and Edwards AFB OPSEC policies and procedures.

Completion of OPSEC Training of contractor employees offered by the Government IAW AFI 10-701, para. 4.1 and 4.2.3 shall be required of all Contractor employees within 30 days of initiating work. Access to mission critical information will not be allowed until OPSEC education has been completed and documented. This training provides Contractor employees with the requisite knowledge necessary to remain vigilant for possible threats, understand basic security procedures, understand the obligation to report security violations and the continued obligation to safeguard information. The requiring unit Security Manager/OPSEC Coordinator will coordinate, and track completed training with the Contractor.

Contact the unit Security Manager/OPSEC Coordinator or Wing OPSEC Signature Manager at (661) 277-2066 for questions or reporting.
