

EnvRestorSampLoc_P

sdsFeatureDescription

- Extraction well
- Injection well
- Monitoring well
- Piezometer
- Soil vapor extraction system
- Soil vapor extraction well
- Vapor extraction well
- Vapor monitoring well
- RestTreatmentSysComp_P
- RestTreatmentSysComp_L
- Anode Bed Areas

Utility Comm Points

Type

- handhole
- manhole
- InService or Proposed

Snow/Ice Monitoring Point

Type

- Ice Junction
- Ice Sensor
- Remote Processing Unit
- Snow/Ice Monitoring Lines
- Water Valve

Fire Connection Point

Owner, Type

- Tinker Fire Connection
- Tinker Fire Hydrant

- MWC Fire Hydrant
- OKC Fire Hydrant
- Water Fitting Point
- Water Hydrant Sprinkler Faucet
- Water Meter Point
- Water Pump Point

Water Source Point

- In Service
- Abandoned

Water Main Line

- Main
- Fire Main
- Raw Water

Water Service Line

- Service
- Sprinkler
- Abandoned
- Water Storage Tank
- Water Pump Station
- Compressed Air Dryer
- Compressed Air Filter

Compressed Air Fitting Point

Fitting Type

- Cap
- Cross
- Tee
- Compressed Air Purifier
- Compressed Air Tank
- Compressed Air Valve
- Compressed Air Lines

Airfield Lighting Point

airfieldLightType

- Airfield Rotating Beacons
- Alert Route
- Apron Area Flood Lighting
- Apron Edge Lights
- Arresting Gear Marker
- Displaced Threshold
- Distance Remaining Marker
- Fuel Pit Marker
- Guidance Sign
- Helipad Perimeter Lighting
- High Intensity Approach Light System (ALSF-1)
- High Intensity Approach Light System (ALSF-2)
- High Intensity Runway Edge Lights (HIRL)
- Medium Intensity Approach Light System with Runway Alignment Indicator Lights (MALSR)

- Medium Intensity Runway Edge Lights (MIRL)
- Obstruction Lights
- Other
- Pre-Threshold Light
- Precision Approach Path Indicator (PAPI)
- Runway Centerline Lights (RCL)
- Runway Distance Markers (RDM)
- Runway Edge Light
- Runway End Identifier Lights (REIL)

- Runway End Lights
- Runway Exit Lights
- Runway Guard Lights (RGLs)

- Runway Stop Bar
- Runway Threshold
- Short Approach Lighting (SALS)
- Simplified Short Approach Lighting System with Runway Alignment Indicator Lights (SSALR)
- Strobe Beacon
- Taxiway Centerline Lights
- Taxiway Clearance Bar (Hold Point)
- Taxiway Edge Light
- Threshold Light
- Touchdown Zone Light
- Touchdown Zone Lights (TDZL)
- Electric Generator

Electrical Junction Point

- Manhole
- Handhole
- Junction Box
- Pull Box
- Electrical Meter
- Electrical Motor Point
- Electrical Pedestal
- Electrical Regulator Point
- Electrical Riser Point

Electrical Transformer Point

- Pad
- Pole

Legend

Exterior Lighting Point

- Flood Light
- Pole Mounted
- Street Light
- Other
- Power Poles
- Solar Panel Point
- Substation Transformer
- Secondary OH Electrical
- Overhead Service Electrical
- Service Underground Electrical
- Primary Overhead Electrical
- Primary Underground Electrical
- Secondary Underground Electric
- Overhead Service Electrical
- Primary Overhead Electrical
- Primary Underground Electrical
- Secondary OH Electrical
- Secondary Underground Electric
- Service Underground Electrical

Electrical Substation Area

- Traffic Utility Area

Industrial Waste Fitting

Fitting Type

- Cap
- Claeanout
- Wye

- Other

- Industrial Waste Inlet Point

- Industrial Waste Junction Point
- Industrial Waste Meter
- Industrial Waste Oil Water Sperator
- Industrial Waste Pump
- Industrial Waste Rectifier Point
- Industrial Waste Valve
- Industrial Waste Force Main
- IW Gravity Mains

IW Service Line

- ABANDONED
- SERVICE

- Industrial Waste Storage Tank
- Industrial Waste Treatment Plant
- Liquid Fuel Air Eliminator Point

- Liquid Fuel Anode Point
- Liquid Fuel Anode Test Station Point
- Liquid Fuel Filter Strainer Point

- Liquid Fuel Fitting Point
- Liquid Fuel Hydrant Point
- Liquid Fuel Meter Point
- Liquid Fuel Pump Point
- Liquid Fuel Source Point
- Liquid Fuel Valve Point
- Liquid Fuels Pump Station Point
- Liquid Fuels Rectifier Point

Liquid Fuel Lines

- Abandoned
- Defueling

- Main
- Service
- Vent
- Fuel Yard
- Liquid Fuels Storage Tank

- Natural Gas Fitting Point
- Natural Gas Junction Point
- Natural Gas Meter Point
- Natural Gas Rectifier Point
- Natural Gas Regulator Point
- Natural Gas Valve Points

Natural Gas Main Lines

- In Service
- Abandoned
- <all other values>

Natural Gas Service Lines

- Abandoned
- Service
- <all other values>
- Natural Gas Pipeline Marker
- Storm Water Downspout Point

Storm Water Fitting Point

- Cap
- Cleanout
- Wye
- Other
- Storm Water Flood Gate Point
- Storm Water Headwall Point

Storm Water Inlet Point

Inlet Type

- Catch Basin
- Curb Inlet
- Drop Inlet
- Storm Water Junction Point
- Storm Water Pump Point
- Storm Water Valve Point
- Stormwater Oil Water Sperator
- Storm Water Culvert Line

Storm Water Lines

Feature Description

- MAIN
- SERVICE
- ABANDONED
- <all other values>

Storm Water Open Drainage Lines

- Open Drainage
- Paved Ditch
- Unpaved Ditch

Thermal Condensor Units

Feature Description

- AC Unit
- Tower
- Thermal Fitting Point

Thermal Junction Point

operationalStatus

- Abandoned

- In Service
- <all other values>
- Thermal Meter Point
- Thermal Pump Point
- Thermal Regulator Point
- Thermal Valve Point
- Thermal Condensor Line
- Thermal Lines Abandoned

- Thermal High Temp Line
- Thermal Chilled Line
- Thermal Plant Area

Waste Water Fitting

Type

- CAP
- CLEANOUT
- WYE
- Waste Water Grease Trap
- Waste Water Manhole
- Waste Water Meter
- Waste Water Oil Water Sperator
- Waste Water Pump Point
- Waste Water Septic Tank Point
- Waste Water Valve
- Waste Water Main

Waste Water Service Line

Operational Status

- Abandoned
- In Service
- Waste Water Force Main
