

Performance Work Statement (PWS)
Birmingham City Schools (BCS)
JROTC Cadet Leadership Challenge JCLC/STEM Columbiana 2026
29 May - 15 June 2026
United States Army Cadet Command
Alabama JROTC Programs

Part 1
General Information

1. GENERAL: This is a non-personal service contract to provide meals, lodging and facility usage for cadets and cadres participating in Junior Cadet Leadership Challenge (JCLC) Birmingham City Schools (BCS) 2026 from 29 May 2026 to 15 June 2026. The Government will not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1 Description of Services/Introduction: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items necessary to perform specified meals, lodging and facility usage to support JCLC BCS-26 in accordance as defined in this Performance Work Statement (PWS) except for those items specified as government furnished property and services. This is a service contract to provide residential experience for 600 Cadets. The residential camp will consist of three (3) four (4) day cycles with 200 Cadets and 50 JROTC instructors per cycle. Cycle 1 shall run from 29 May - 1 June 2026. Cycle 2 shall run from 5-8 June 2026. Cycle 3 shall run from 12-15 June 2026. The Period of Performance is 29 May - 15 June 2026. The contractor shall perform to the standards in this contract. The participating Cadets are from JROTC battalions across the State of Alabama.

1.2 Background: One of the major challenges facing the nation is the need for greater emphasis on Science, Technology, Engineering, and Mathematics (STEM) education in our public schools. To help address this need we intend to expand STEM education in our curriculum for Army JROTC Cadets. To have the biggest impact on Cadets, United States Army Cadet Command (USACC) requires a location that can provide leadership and STEM education to enhance the activities schedule for JROTC Cadets from programs throughout the state of Alabama. The selected venue must also have the organizational structure and facilities to support lodging and meal requirements at one location.

1.3 Scope: The Contractor shall provide non-personal service(s). The contractor shall provide lodging, meals and furnished facilities, furniture, equipment, and facilities for use

for training. The Cadets also perform other training activities in the vicinity of this location, such as confidence course, water survival, and canoeing.

1.4 Objectives:

1.4.1 The contractor shall provide meals, lodging and training facilities for a total of 600 cadets and 150 cadre personnel from 29 May - 15 June 2026 in support of JCLC/STEM Columbiana 2026.

1.4.2 The contractor shall provide personnel, equipment, supplies, facilities, transportation, tools, materials, supervision and other items necessary to perform meal preparation, serving, and cleanup in addition to serving equipment, chafing dishes, heating elements to maintain food temperature, serving utensils, disposable plates, cups, napkins, and utensils for requested meals and set up and maintain two serving lines for at least one (1) hour to serve 200 cadets and 50 cadre during specified meal times for breakfast, lunch, and dinner.

1.4.3 The contractor shall provide housing / barracks spaces & accommodation for 200 cadets and 50 cadre for the duration of JCLC/STEM Columbiana.

1.4.4 Government Point of Contact: The government Point of Contact (POC) will be provided upon award of contract. The contractor shall provide the meal selection to the Government POC. The government POC will ensure the meal selection is in accordance with this PWS.

1.5. General Information

1.5.1 Quality Control Plan (QCP):

1.5.1.1 Reserved.

1.5.1.2 The contractor's existing quality assurance system shall be utilized in accordance with FAR 12.208. The Contractor shall inform the COR of issues or potential issues that might affect the performance within 24 hours of identifying those issues. Verbal reports shall be followed by written reports within three (3) calendar days.

1.5.2 Quality Assurance: The Government will evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan is primarily focused on what the Government must do to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the acceptable quality levels (performance thresholds).

1.5.3 Recognized Holidays: The following provides information on recognized holidays for the purpose of the PWS. If submittal of any documentation (e.g. deliverables, submittals, etc.) deadlines fall on holiday, the closest workday prior to the holiday will apply as the deadline for submittal.

1.5.3.1 U.S. Holidays: Work shall not be performed on U.S. federally recognized holidays occurring during the normal workweek unless otherwise directed by the Contracting Officer. When a U.S. holiday occurs on a Saturday or a Sunday, the holiday is observed on the preceding Friday or following Monday, respectively.

New Year's Day January 1st
Presidents' Day 3rd Monday in February
Juneteenth June 19th
Labor Day 1st Monday in September
Veteran's Day November 11th
November
Christmas Day December 25th

M. L. King Memorial Day 3rd Monday in Jan
Memorial Day last Monday in May
Independence Day July 4th
Columbus Day 2nd Monday in October
Thanksgiving Day 4th Thursday in

1.5.4 Operating Hours: The Government facility office hours, facility operating hours, and the Contractor support hour requirements often coincide, however, they may differ. Please refer to the following.

1.5.5 Place of Performance: The place of performance is within 100 miles of Birmingham City Schools, 125 63rd St. Birmingham, AL 35212.

1.6 Security Requirements: The following information is provided on security related matters. Contractor personnel performing work under this contract are not required to have security clearance.

1.6.1 Physical Security: The Contractor shall safeguard all Government equipment, information, and property provided for Contractor use. At the close of each work period equipment and materials shall be secured.

1.7 Post Award Conference/Periodic Progress Meetings: The Contractor shall attend any post award conference convened by the contracting activity or contract administration office in accordance with FAR Subpart 42.5. The Contracting Officer, COR, and other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings the Contracting Officer will apprise the Contractor of how the Government views the Contractor's performance and the Contractor shall apprise the Government of problems, if any, being experienced.

Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the Government.

1.7.1 The Contractor shall attend, participate in, and furnish input to scheduled and unscheduled meetings, conferences, and briefings that relate to the functions and services herein as required by the Government to provide effective communication and impart necessary information. The Contract Manager or designated representative shall attend meetings as requested by the Government. Meeting attendees shall at times include Contractor managerial, supervisory, and other personnel knowledgeable of the subject matter. Meetings may start or end outside of regular duty hours.

1.8 Contracting Officer Representative (COR): As determined by Contracting Officer, a COR will be appointed and identified by letter of designation, a copy of which will be provided to the Contractor by the Contracting Officer. The designation letter states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is not authorized to obligate the Government. If the work is not written in the contract, the COR is not authorized to request new work. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract, perform inspections necessary in connection with contract performance, maintain written and oral communications with the Contractor concerning technical aspects of the contract, issue written interpretations of technical requirements, including Government drawings, designs, specifications, monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies, coordinate availability of Government property, and coordinate site entry of Contractor personnel.

1.9 Key Personnel: The contractor shall provide certified lifeguard/spotters for waterfront usage for a weeklong training course.

1.9.1 Special Qualification: Contractor shall ensure all employees meet board of health standards and food handling requirements as well as having knowledge of safety regulations, such as, Occupational Safety and Health Association, (OSHA), proper clothing and footwear. Contractor shall ensure medical personnel and Lifeguard are certified and current. Contractor shall maintain a professional demeanor when serving the food safety requirements for preparing and serving food. Certified and trained personnel are required at all events.

1.10 Identification of Contractor Employees: All Contractor personnel attending meetings and working in other situations where their contractor status is not obvious to third parties must identify themselves, to include proper marking of signature blocks in correspondence, to avoid creating an impression in the minds of members of the public that they are Government officials. The Contractor shall ensure that all documents of reports, produced by Contractors are suitably marked as Contractor products or that Contractor participation is appropriately disclosed.

1.11 Protection of Government and Contract Information: Per Public Use Notice of Limitations stated by Defense imagery Management operations Center and contained at www.dimoc.mil/resources/limitations/ the contractor shall not cite any information (e.g. contract information, pictures, locations, etc.) obtained through this contract on any hard copy or digital marketing tools to include its company website.

1.12 Organizational Conflict of Interest (OCI): Contractor and subcontractor personnel performing work under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications or work statements, etc.) or perform evaluation services which may create a current or subsequent OCI as defined in FAR Subpart 9.5. The Contractor shall notify the Contracting Officer immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the Contracting Officer to avoid or mitigate any such OCI. The Contractor's OCI Mitigation Plan will be determined to be acceptable solely at the discretion of the Contracting Officer. In the event the Contracting Officer unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the Contracting Officer may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.

PART 2

DEFINITIONS & ACRONYMS

2. DEFINITIONS AND ACRONYMS:

2.1. DEFINITIONS: Although not inclusive of every term used within this PWS, the following provides a list of definitions used throughout this PWS and commonly used in the acquisition field.

CONTRACTOR. A supplier or vendor is awarded a contract to provide specific supplies or services to the government. The term used in this contract refers to the prime.

CONTRACTING OFFICER (KO). A person with authority to enter, administer, and or terminate contracts, and make related determinations and findings on behalf of the government. Note: The only individual who can legally bind the government.

CONTRACTING OFFICER'S REPRESENTATIVE (COR). An employee of the U.S. Government appointed by the contracting officer to administer the contract. Such appointment shall be in writing and shall state the scope of authority and limitations. This individual has the authority to provide technical directions to the Contractor as long as that direction is within the scope of the contract, does not constitute a change, and has no funding implications. This individual does NOT have the authority to change the terms and conditions of the contract.

Day. Unless otherwise specified, it is a calendar day.

DEFECTIVE SERVICE. A service output that does not meet the standard of performance associated with the Performance Work Statement.

DELIVERABLE. Anything that can be physically delivered but may include non-manufactured things such as meeting minutes or reports.

KEY PERSONNEL. Contractor personnel are evaluated in a source selection process and that may be required to be used in the performance of a contract by the Key Personnel listed in the PWS. When key personnel are used as an evaluation factor in best-value procurement, an offer can be rejected if it does not have a firm commitment from the people that are listed in the proposal. Key personnel are as follows:

Environmental Training Specialist - Shall be the teacher for all scheduled environmental classes. Primary teachers shall have a college degree in environmental science, chemistry, or biology.

Lifeguards – Shall be on hand for safety during all water training activities. Lifeguards shall have a valid lifeguard certification awarded by the American Red Cross. The contractor shall provide a POC to serve as a program manager with decision authority. The name of this individual shall be provided to the KO and COR at contract award.

PHYSICAL SECURITY. Actions that prevent the loss or damage of government property. Actions that prevent the loss or damage of Cadets and support cadre personal property. Action that prevents physical harm to the Cadets and supporting cadre.

QUALITY ASSURANCE. The government procedures to verify that services being performed by the Contractor are performed according to acceptable standards.

QUALITY ASSURANCE Surveillance Plan (QASP). An organized written document specifying the surveillance methodology to be used for surveillance of contractor performance.

QUALITY CONTROL. All necessary measures are taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

WORKDAY. The number of hours per day the Contractor provides services in accordance with the contract.

WORK WEEK. Monday through Friday, unless specified otherwise.

2.2. ACRONYMS: Although not inclusive of every term used within this PWS, or that may be included in an acquisition, the following provides a list of acronyms commonly used in the acquisition field.

ADPE	Automated Data Processing Equipment
AR	Army Regulation
BCS	Birmingham City Schools
CCR	Cadet Command Regulation
CFR	Code of Federal Regulations
COR	Contracting Officer Representative
COTS	Commercial-Off-the-Shelf
DA	Department of the Army
DA PAM	Department of the Army Pamphlet
DD250	Department of Defense Form 250 (Receiving Report)
DFARS	Defense Federal Acquisition Regulation Supplement
DOW	Department of War
FAR	Federal Acquisition Regulation
HIPAA	Health Insurance Portability and Accountability Act of 1996
IAW	In Accordance With
JCLC	JROTC Cadet Leadership Challenge
JROTC	Junior Reserve Officer Training Course
KO	Contracting Officer
OCI	Organizational Conflict of Interest
POC	Point of Contact
PRS	Performance Requirements Summary
PWS	Performance Work Statement
QA	Quality Assurance

QAP	Quality Assurance Program
QASP	Quality Assurance Surveillance Plan
QC	Quality Control
QCP	Quality Control Program
STEM	Science, Technology, Engineering, and Mathematics
TE	Technical Exhibit
USACC	United States Army Cadet Command

PART 3 GOVERNMENT PROPERTY AND SERVICES

3. Government Property and Services: RESERVED

PART 4 CONTRACTOR FURNISHED ITEMS AND SERVICES

4. Contractor Furnished Property and Services

4.1 General: The Contractor shall furnish all personnel, supplies, materials, equipment, facilities, lodging, meals/food, supervision, management, and services required to perform work IAW this PWS.

4.2 Materials: The Contractor shall provide all anticipated property. Personal Protective Equipment (PPE), office supplies and materials such as paper, printer cartridges, and all other office supplies and material needed in the performance of this contract; automated data processing equipment (ADPE) such as computers, copy printers, and fax machines.

4.3 Vehicles and Equipment: The contractor shall provide all vehicles and equipment necessary to transport personnel and equipment (no GSA vehicles provided to Contractor for use on this contract) and equipment to perform the work described in this PWS. All Contractor provided vehicles, and equipment shall have the company name prominently displayed on both sides of the vehicle or equipment and present a neat, professional appearance. Contractor's vehicles and equipment used in the performance of this contract shall meet all local traffic, safety, and environmental requirements. Vehicles and equipment found to be unsafe shall be replaced. The Contractor shall not use any Government-owned tools, materials, or parts to maintain Contractor vehicles and equipment without prior written approval of the Contracting Officer.

4.4 Medical Support: The contractor shall provide trained and qualified medical staff that will be on site the entire time throughout the events. Minimum requirement will be at least one person with Emergency Medical Technician (EMT) Certification with emergency vehicle with a driver.

PART 5 SPECIFIC TASKS

5.1 Basic Services: The Contractor shall provide services for billeting in the dormitories/cabins during the period 29 May - 15 June 2026. Location must be able to accommodate 200 cadets and 50 cadre per cycle on the premises. The Contractor shall provide the necessary management, supervision and labor required to set up, serve, clean up and remove trash from the dining area. Contactor shall have the serving area established and be ready to serve no later than 15 minutes prior to each scheduled mealtime.

5.2 TASKS:

5.2.1 Lodging: The contractor shall lodge male and female cadets on separate floors and/or in separate buildings. Female rooms shall accommodate minimum of 2 female cadets per room, and male cadets shall accommodate minimum of 2 cadets per room. The facility shall provide separate lodging accommodations for cadre. The facility shall be able to accommodate male and female cadre in separate rooms based on gender.

5.2.2 Billeting: The contractor shall provide separate restroom and shower facilities for males and females. The showers shall have a shower curtain and a divider between showers to afford privacy while showering.

5.2.3 Meals.

5.2.3.1 Menu. The contractor shall provide a menu like the one stated in 5.2.3.2. The dinner meal shall be served hot. All meals shall be served hot, must be nutritionally balanced and follow USDA dietary guidelines. The menu shall be coordinated with the Government POC upon receipt of the award date as soon as possible within 10 days. Any changes to the menu for alternative replacements shall be coordinated upon at that time. Water shall be served with all meals. Note: consideration / accommodation must be made for vegetarian meals for approx. 5-8 people per meal.

5.2.3.1.1 Portions. All servings should be adult servings to allow for the proper daily caloric intake for cadets and cadre.

5.2.3.2 Sample Menu:

Breakfast 1: Scrambled Eggs, bacon, hashed brown potatoes, cold cereal, toast, milk/assorted juices, and coffee.

Breakfast 2: Scrambled Eggs, creamed ground beef on a biscuit, hash brown potatoes, assorted fruits, milk/assorted juices, and coffee

Lunch (bag) sample: Cold cuts / sandwich on bread or roll, lettuce, cheese, mayo, mustard, chips, two (2) choices of dessert, fruit punch, milk, coffee, and condiments

Lunch (hot) sample: Hamburger, spaghetti and meat sauce, egg noodles, fries, two (2) vegetable choices, three (3) desert choices, salad, rolls, juice, milk, coffee, and condiments

Dinner 1: Lasagna, chicken tenders (2 choices), rice pilaf, baked potatoes, 2 vegetable choices, 3 desert choices, salad, rolls, juice, milk, & coffee (and condiments)

Dinner 2: Fish sandwich, beef stroganoff, egg noodles, (2 choices), potato wedges, 2 vegetable choices, 3 desert choices, salad, rolls, juice, milk, & coffee (and condiments)

Note: consideration / accommodations must be made for vegetarian meals for approx. 5-8 people per meal.

5.2.3.3 Feeding Times:

Cycle 1				
Date	Headcount Cadets	Headcount Cadre	Event	Serving Time
29 May 2026	200	50	Lunch (Bag)	1200-1300
	200	50	Dinner	1700-1800
30 May 2026	200	50	Breakfast	0700-0800
	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
31 May 2026	200	50	Breakfast	0700-0800
	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
1 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch (Bag)	1200-1300

Cycle 2				
Date	Headcount Cadets	Headcount Cadre	Event	Serving Time
5 June 2026	200	50	Lunch (Bag)	1200-1300
	200	50	Dinner	1700-1800
6 June 2026	200	50	Breakfast	0700-0800

	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
7 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
8 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch (Bag)	1200-1300

Cycle 3				
Date	Headcount Cadets	Headcount Cadre	Event	Serving Time
12 June 2026	200	50	Lunch (Bag)	1200-1300
	200	50	Dinner	1700-1800
13 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
14 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch	1200-1300
	200	50	Dinner	1700-1800
15 June 2026	200	50	Breakfast	0700-0800
	200	50	Lunch (Bag)	1200-1300

5.2.3.4 The contractor shall furnish all necessary serving equipment and provide disposable utensils, disposable plates, disposable cups, condiments, and napkins to all authorized personnel.

5.2.3.5 The Contractor shall provide the necessary management, supervision and labor required to set up, serve, clean up and remove trash from the dining area.

5.2.3.6 The Contractor shall have the serving area established and be ready to serve no later 15 minutes prior to each scheduled mealtime.

5.2.3.7 The Contractor shall provide a minimum of two serving lines for each meal to expedite the service.

5.2.4 Training Facilities: The Contractor shall provide the following service for three training cycles of JCLC/STEM Columbiana. There are three training cycles with 200 Cadets and 50 Cadre in each training cycle. The first training cycle is from 29 May to 1 June 2026. The second training cycle is from 5 June to 8 June 2026. The third training cycle is from 12 June to 15 June 2026.

5.2.4.1. The Contractor shall provide twelve days usage of the large swimming pool that is a minimum of 25 meters in length and 9 feet in depth or a comparable area of private lake. The contractor will provide lifeguards and spotters.

5.2.4.2. The Contractor shall provide twelve days of use of the low and high challenge ropes course, leadership reaction course, climbing tower, and obstacle course. Contractor shall provide qualified and trained instructors. The contractor shall start off by providing team building games and activities that are performed in an open field to get the groups to “form”. The contractor shall use this time to see the group dynamics and put the cadets in groups for the three courses. The contractor shall next progress to the leadership reaction course/obstacle course. The contractor shall supervise and provide guidance to the groups through an obstacle course of 11 elements that each group of cadets need to work through as a team. Finally, the contractor shall provide and supervise the groups of cadets through at least four different high rope bridges and at least one giant swing line for the low and high challenge ropes course.

5.2.4.3. The Contractor shall provide twelve days of use of the land navigation course with instructors and necessary markers. The contractor shall provide 4 to 5 acres of terrain that is a combination of wooded, open ground and some minor hills on which to conduct land navigation training. The contractor shall provide maps to the cadets, if needed.

5.2.4.4. The Contractor shall provide twelve days usage of the athletic field about the size of a football field. The athletic field should be an open field with no obstacles that allow any number of sports to be played by the cadets. The athletic field must have lights to illuminate the entire field for nighttime usage.

5.2.4.5. The Contractor shall provide twelve days use of the canoes/canoe course with the necessary trained guides. The contractor shall transport the cadets to the drop-off and pick up points on the river. Between traveling to and from the drop off and pick up sites and time on the river. The contractor shall provide river trips One and a half (1.5) to two (2) hours in length. If the weather looks questionable, the contractor should conduct canoeing on a lake near the shore so the cadets can be taken off the lake quickly if the weather gets worse. The contractor shall provide fishing or additional team-building exercises for those who choose to stay at camp instead of going on the canoeing course.

5.2.4.6. At least two Five (5) gallon minimum drinkable water containers shall be located at each training site. Contractors shall fill containers with ice and water three times daily at 7:00am (CST), 11:00am (CST), and 3:00pm (CST).

5.2.4.7. Porta-johns shall be located at sites where bathroom facilities are not within the training site for accommodation and shall have a hand washing station for field hygiene.

5.2.4.8 The Contractors’ shall follow all applicable state and local fire and safety codes and regulations.

- Use CDC recommend cleaning products to clean all lodging, meeting spaces and common areas

- Clean all billeting locations daily

- Clean all common areas and bathrooms every 4 hours during peak training times.

- Place hand sanitizer location throughout all common areas.
- Follow CDC requirements in food preparation and delivery.

5.2.4.9. Transportation Requirements: RESERVED

5.2.4.10 The Contractor shall provide team building and self-awareness activities along with campus orientations. The contractor shall provide activities, which require cadets to work together as a part of a team and for cadets to become more aware of their strengths and weaknesses. The contractor shall provide low wall, high wall activities, team land navigation course and a leadership reaction course.

5.2.4.11 The Contractor shall be a regionally accredited public institution with an established STEM related activity to enhance cadet experience.

5.2.4.12 The Contractor shall provide the on-campus administrative capability to in/out-process JROTC Cadets and instructors. participating in the Leadership/STEM program. The contractor shall provide administrative procedures for receiving cadets, assigning them to appropriate lodging based on like gender, assignment to small teams, and maintaining files with parent permission documents for dispensing prescription/over-the-counter medication as required.

5.2.4.13 Curriculum. The proposed curriculum shall include details of instructional periods and collect environmental samples from the lake and observe them under microscopes. Contractor must have a minimum of twelve (12) microscopes to optimize training time. Cadets shall receive a tour of the wildlife reservation and be given instructional information on how and why we are protecting wildlife.

5.2.4.14 Contractor shall provide a STEM Exploration Orientation Program with the goals of: increasing Cadet Awareness of STEM academic programs and career fields; enhancing their personal leadership and character development; inspiring academic excellence; increasing the desire to continue education beyond high school and increasing the desire to pursue STEM related career opportunities.

5.2.4.15 Contractor shall provide hands-on activities in Engineering/Environmental Science, practical exercise to develop a STEM Leadership Project, Problem-Based Learning activity, team building and leadership development activities, Leadership and STEM Guest Speakers, physical fitness, and social activities. Each team will rotate through this station on a 2.5-hour basis between the hours of 8:00am – 7:00pm with one (1) hour lunch break and two (2) 30-minute breaks. Rotation times will be managed on training schedule.

5.2.4.16 Contractor shall provide at least 9 upper-level college Engineering/Environmental students (rising junior, senior or graduate) to coach, mentor, and guide groups of 17-23 Cadets through each cycle and complete a brief assessment/evaluation on each Cadet at the end of the cycle.

5.2.4.17 Contractor shall follow JCLC 2026 training matrix provided by the government POC. If there are changes to the training matrix, the recommendation is sent to the POC 24 hours before implementation.

PART 6 APPLICABLE PUBLICATIONS

6. Applicable Publications (Current Editions): The following publications, manuals, regulations, etc. are applicable to this requirement and the Contractor shall adhere to the most current versions.

- 6.1.** Occupational Safety and Health Association, (OSHA), proper clothing and footwear.
- 6.2.** Organization, Administration, Operations Training and Support (CCR 145-2-1)
- 6.3.** Army Physical Security Program (AR 190-13)
- 6.4** Operating Procedures for the Army Food Program (DA PAM 30-22)

PART 7 ATTACHMENT and TECHNICAL EXHIBIT LISTING

7. Attachment and Technical Exhibit List

- 7.1 Technical Exhibit A** – Performance Requirements Summary
- 7.2 Technical Exhibit B** – Deliverable Schedule

Technical Exhibit A PERFORMANCE REQUIREMENTS SUMMARY (PRS)

PERFORMANCE OBJECTIVE	STANDARD	PERFORMANCE THRESHOLD
1. Meals (PWS reference: 5.2.3, 5.2.3.1, 5.2.3.2, 5.2.3.3, 5.5, 5.5.1 and 5.5.2)	Provide meals	100% completion rate.
2. Lodging. (PWS reference: 5.1, 5.2.1, 5.2.2)	Provide campus lodging for 200 cadets and 50 cadre for a period of three nights. (Total lodging requirement over the three cycles period is 600 cadets and 150 cadres).	100% completion rate.
3. Training Classrooms/Office Space/Storage Rooms (PWS reference: 5.2.4, 5.2.4.1 5.2.4.2, 5.2.4.3 5.2.4.4, 5.2.4.5, 5.2.4.6, 5.2.4.7, 5.7, 5.10, 5.11, 5.12., 5.13 and 5.14)	Provide classrooms (capable of handling 60 personnel each), two offices, and one storage room for use by JROTC cadre and STEM instructional staff.	100% completion rate.
4. Registration. (PWS reference: 5.9)	Provide on-campus administrative capability to in/out process JROTC cadets and instructors participating in Leadership/STEM program.	100% completion rate.
5. Curriculum Support. (PWS reference: 5.10)	Provide hands-on Leadership/STEM related activities, practical exercises to develop STEM leadership project, problem-based learning activities, site visits, team building activities, guest speakers, physical fitness, and social activities.	100% completion rate.

6. Instructor Support. (PWS reference: 5.13)	Provide at least 9 upper level engineering/environmental college students (rising junior, senior or graduate to coach, mentor, and guide 17-23 cadets each through each cycle and complete a brief assessment/evaluation of each cadet at the end of cycle.	100% completion rate.
