DFARS Clauses Incorporated by Full Text

252.232-7006 Wide Area WorkFlow Payment Instructions. (Jan 2023)

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) *Definitions.* As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) *Electronic invoicing.* The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) *WAWF access.* To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) *WAWF training.* The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>

(e) *WAWF methods of document submission.* Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) *WAWF payment instructions.* The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) *Document type.* The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

INVOICE

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

INVOICE

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2)) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) *Document routing.* The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

<i>Field Name in WAWF</i>	<i>Data to be entered in WAWF</i>

52.217-8 Option to Extend Services. (Nov 1999)

Option to Extend Services (Nov 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 60 days.

(End of clause)

52.217-9 Option to Extend the Term of the Contract. (Mar 2000)

Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 60 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

252.204-7017 Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation. (May 2021)

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) *Definitions.* "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) *Prohibition.* Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) *Representation.* If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it ☐ will ☐ will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) *Disclosures.* If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

Section M - Evaluation Factors for Award

Statement of Work

Request for Quotation (RFQ) Contract for

Housekeeping Services

Naval Research Lab - Key West

1. The contractor shall be responsible for satisfactorily managing and performing programs for cleaning as specified herein at the following locations:

**Naval Research Lab – Key West
Bldg F-1 and F-15, Fleming Key
Trumbo Point Annex, NASKW
Key West, Florida 33040**

2. Primary Responsibility

CONTRACT INFORMATION TO BE PROVIDED AT TIME OF AWARD

If any of the services do not conform to contract requirements, the Government may require the Contractor to perform the services again in conformity with contract requirements, at no increase in contract amount or the price of the contract may be reduced to reflect the reduced value of services performed. If the defects in services are not corrected by re-performance, the Government may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements.

3. Type of Proposal and Period of Performance

All bids are to be Firm Fixed Price.

Period of performance will be one year from time of contract award. Contract will also include 4 additional 1-year options under the same terms for a total of 5 years.

4. Base Access Requirement

Prospective Contractor's employees providing services to NRL-KW shall have or be able to obtain DBIDS access to Naval Air Station Key West, Trumbo Point Annex.

Quotations for this solicitation shall show evidence that all employees providing service have or will be able to obtain base access.

Failure to obtain or maintain base access may result in contract cancellation.

5. Equipment, Materials, and Supplies

The Contractor shall provide all tools, equipment, materials, supplies, and supervision for the duties required to clean the Offices of Naval Research Lab Key West (NRLKW) as described in this statement of work. The equipment, materials, and supplies (i.e., toilet paper, paper towels, liquid soap, trash can liners, garbage bags, cleaning solutions, etc.) shall be of good commercial value and unless otherwise specified, properly stored in the area designated by the Government Representative. Material Safety Data Sheets (MSDS) or Safety Data Sheets (SDS) will be provided for all chemicals used on site. All necessary cleaning equipment, including but not limited to, waxing and polishing machines, vacuum cleaners (for carpets and floors), etc., needed for the performance of the work on this contract shall be furnished by the Contractor. Hot and cold water will also be made available to the Contractor, as necessary for that purpose and a janitorial closet will be provided for onsite storage as necessary.

6. Conduct of Work and Quality Control

Services under this contract must be performed in such a way that will minimize interruption to, or interference with, the normal operation of Government business on the premises. The contractor shall be responsible for satisfactorily managing and performing programs for cleaning as specified.

The Contractor shall establish and maintain a Quality Control Plan to ensure the requirements of the contract are provided as specified. The contractor plan shall include an inspection and check list covering all the services listed in the contract. The contractor checklist will be reviewed monthly with an on-site Government representative for completion and quality. The plan must specify the areas to be inspected, how often contractor inspections will be accomplished (no less than once per month), and the name and title of the individual conducting the inspections. On-site records of all inspections conducted by the contractor and the necessary corrective actions taken are

required. The custodial closet shall contain an up-to-date task frequency chart and dated sign-off sheet. Information on the checklist shall show the task frequencies of all work to be accomplished in the building. The contractor shall ensure that each day's scheduled tasks are accomplished by having the cleaning crew leader sign the form indicating that the work was satisfactorily completed. A Government representative will conduct random inspections of the building and checks of the Quality Control Plan to ensure compliance with contract requirements. Any discrepancies noted during the random inspections will be brought to the contractor's attention for corrective actions.

7. Square Footage/Site Conditions

The NRL facility includes two buildings requiring housecleaning services:

- F-1 (3,005 square feet of hard floor and 1,015 square feet of carpet)
- F-15 (2,730 square feet of hard floor and 2,710 square feet of carpet)

Hard floors include a mixture of tile and industrial coated floors.

8. Cleaning Schedule and Requirements

Cleaning services will include the following services and frequencies at both F-1 and F-15:

A. Bi-WEEKLY SERVICES (Performed twice per work week)

1) Restrooms

- a. All toilets shall be cleaned inside and out with a disinfectant detergent. Sinks shall be cleaned and wiped free of all watermarks; all mirrors, shelves, dispensers, chrome fixtures, and pipes shall be damp-wiped and polished dry.
- b. Clean restroom mirrors.
- c. Empty all trash receptacles; empty and disinfect all sanitary napkin dispensers and install new plastic bags. Trash may be thrown in facility dumpster.
- d. Replenish all supplies including paper towels, toilet paper, and soap (Soap will be commercially available liquid hand soap in self dispensing container).

2) Office and Hallway Cleaning

- a. Empty all wastebaskets and replace plastic liners. Trash may be thrown in facility dumpster.

3) Kitchen/Break Room Area

- a. Empty and reline all trash cans with plastic liners.
- b. Sink shall be cleaned with a disinfectant detergent.
- c. Microwave oven and refrigerator (two) handles, and exterior shall be wiped clean. All other counter tops shall be damp wiped with a disinfectant (including behind the microwave oven).
- d. Replenish all supplies, such as paper towels and soap. (Soap will be commercially available liquid hand soap in self dispensing container).

B. ONCE WEEKLY SERVICES (Performed once per work week)
