

Request for Information (RFI)

Questions and Answers

- 1. May we kindly confirm whether handset devices are required for any of the Base Year or Option Years? Alternatively, does USS Frank Cable intend to utilize existing handsets for the full 66-month contract period?**

Answer: We will stick with our current Apple devices for now with using one of the Option Years to get new phones as needed (30 international roaming, 6 U.S. Domestic).

- 2. If handsets are required, may we kindly confirm whether Apple iPhone or Samsung devices are acceptable? Additionally, could you please specify the exact quantity of handsets required?**

Answer: Apple or Samsung are both acceptable with the devices getting Apple business or the Android equivalent. Total quantity is 36 (30 international roaming, 6 U.S. Domestic).

- 3. In the event that responses to vendor inquiries are not provided prior to the current deadline of 26 March 2026, would contracting consider extending the proposal submission deadline accordingly?**

Answer: Response was submitted prior to RFQ deadline.
