

Notice of Intent to Sole Source
Rustici Software Systems Services

The Naval Supply Systems Command (NAVSUP), Fleet Logistics Center Jacksonville (FLCJ), FL intends to issue a sole source award for the procurement of Rustici Software Systems Services to Rustici SCORM Engine, LLC. Rustici SCORM Engine, LLC, is the sole provider for the licensing and support of Rustici Software. The applicable North American Industrial Classification System Code (NAICS) code that this work falls under is 541511, Custom Computer Programming Services with a Small Business Size of \$34 Millin. This notice of intent is for information purposes only. All sources eligible to provide this requirement must respond in writing. Responses must be supported with clear and convincing evidence to clearly articulate the ability to provide this requirement as outlined above. A request for documentation will not be considered as an affirmative response. If no responses are received, within two calendar days after publication of this notice, to the effect that comparable items are available, and that it is more advantageous to the Government than obtaining this product through a sole-source contract, then a sole source acquisition award will be made. Response to this notice is to be sent to Melissa Russell, melissa.i.russell2.civ@us.navy.mil.
