Introduction of contraband shall be subject to the penalties prescribed by Title 18 USC 1791. Cell phones, pagers, and radios are not allowed within the secure perimeter.

Contractor Personnel and Equipment Security

Contractor employees working at a BOP facility will be subject to a background investigation after award of the contract. Contractor employees must complete the applicable forms provided by the Contracting Officer Representative (COR). Following the investigation, the BOP will provide the Contractor with a list of employees cleared to work at the institution. If a Contractor's employee is not cleared, that fact only will be communicated to the Contractor. No additional justification will be released.

No explosive action tools shall be used on the property at any time.

Contractor employees working on the BOP site shall adhere to all rules. These rules include, but are not limited to the following:

Weapons and ammunition of any kind are not allowed on Federal property, including the parking lot.

Do not give, or offer to give, anything to an inmate.

Do not bring any correspondence into or out of the institution. Do not accept gifts or favors from inmates.

Leave personal items locked in your vehicle or secure them at the Contractor's lay-down area. A form of photo ID is required to enter the facility.

Revealing clothing is not acceptable attire and work attire is required at all times. Conduct yourself in a responsible, mature manner.

Report any unusual action(s) or behavior to BOP staff.

DESCRIPTION OF DUTIES:

Equipment: (provided by Government)

Self-Contained Compactors and Open Top Roll Off Dumpsters

FCC Pollock owns five (5), 25 cubic yard, self-contained compactors and three (3), 40 cubic yard, open top roll off dumpsters

Contractor Vehicle:

The Contractor shall use vehicles specifically designed for trash collection which do not permit loss of trash collection on roadways. The Contractor shall have sufficient equipment for execution of this contract.

Cleanliness of Collection Area:

Collection station shall be left in a neat and orderly manner. All solid waste in the vicinity of the collection area, including spillage and waste left or spilled in the area by the contractor user, shall be picked up by the contractor, including all areas within ten (10) feet of containers. Containers shall be cleaned/sprayed out prior to return to help maintain cleanliness.

Trash pick-up

Trash will not be segregated prior to pick-up. The "contents" of the compactor including all garbage, refuse and trash inside, resting upon or in the immediate vicinity of the compactor and that which might be spilled by collectors during pick-up, shall be thoroughly and completely collected. The compactor's waste material will consist of solid and/or wet waste from Food Service and other departments within the institution. The pick-up schedule may be altered to meet the needs of the institution and FCC Pollock may require additional pulls and will notify the Contractor in advance as needed. The Contractor must, upon notification of FCC Pollock complete the additional pulls within 24 hours.

Extra pull charge will not differ from the normal contracted rate.

SCHEDULE:

A minimum of two (2) trash compactors per day (Monday thru Friday; 7:30 a.m. to 3:00 p.m., excluding federal holidays) will be picked-up, hauled, dumped, cleaned, and returned to designated staging area located on the grounds of FCC Pollock. *The regular daily pick-up times shall be mutually agreed upon between the Facility Manager and the Contractor.*

A minimum of one (1) time per month for each of the three (3) self contained dumpsters will be picked up, hauled, dumped, cleaned, and returned to designated staging area located on the grounds of FCC Pollock. Hours and days of service shall not be altered without mutual agreement of the government. *The regular pick-up day and times shall be mutually agreed upon between the Facility Manager and the Contractor.*

FCC Pollock may require additional pulls. The Contractor will be notified in advance as needed. The Contractor must, upon notification of FCC Pollock complete the additional pulls within 24 hours.

DESCRIPTION OF WORK: FCC Pollock will transport supplied compactors of garbage and construction debris to the rear gate sally port, to be kept over night. The contractor will pick up from the institutions designed staging areas and drop off an empty compactor that BOP staff will then transport into the facility daily; having 5 compactors in rotation at all times. Upon pick up, the contractor shall be responsible for and become sole owner of all trash, garbage and debris from FCC Pollock. The contractor will be fully responsible for the disposal of the materials in a lawful and proper manner. The Government estimates they will produce approximately 240 tons per month of the above materials, however there is no guarantee regarding the estimated tonnage, as quantities will vary. The Contractor will be required to provide the Government with documentation of the tonnage for each disposal.

REMOVAL AND DISPOSAL:

The trash shall be removed and disposed of outside Government premises. The disposal method shall be in accordance with all State, Local laws, and Federal Government Health and Sanitation Codes and regulations. The disposal of waste shall be in a legally and environmentally safe manner. The Contractor shall provide written documentation stating that the approved landfill meets all Federal, State and local city regulations. FCC Pollock will not be responsible for any motor vehicle violations due to the weight of vehicles or falling debris from vehicles.

Inclement Weather Schedule:

Trash shall be collected as scheduled during inclement weather unless specific approval to delay is requested by the Contractor and approved by the Contracting Officer.

Holiday Schedule:

When a scheduled collection falls on a Federal Holiday, the pick-up shall be made the following day at the regularly scheduled time at no additional cost to the Government.

INMATE MANAGEMENT: The Contractor will not be responsible of the management of inmates.

RECEIPTS/ INVOICES:

The Contractor shall provide copies of all weight slips and destination slips of all trash removed from USMCFP Springfield. The receipts shall be addressed to the Accounting Department at the institution and shall be sent with the invoice for each month. The weight slips are not a basis for payment, they are for record keeping purposes. Each invoice shall provide tonnage amount, day of pick-up and total amount charged for each unit.
