

This is a notice of intent to award a sole source contract and is not a request for quotes.

The Department of Veterans Affairs on behalf of the New York VISN 2 Campus intend to award a Firm Fixed Price (FFP), sole source action to a SDVOSB.

Name of Contractor:	Minuteman Technology Services, LLC
Street Address:	75 State Street, Suite 100
City, State, Zip:	Boston, MA 02109

VISN 2 Business Office is currently seeking to purchase additional configurable touchscreen kiosks in multiple configurations (freestanding, wall mounted, and tabletop) and supporting components that work with our VISTA system for (a licensed software known within the Veterans Affairs organization as the Vetlink system) that checks in patients, completes mileage, and works with VA's Vetlink Software. Together, this system provides a waiting room check in process that does not include the clerical and helps insurance capture that ultimately frees the clerk to do other tasks-- allowing patients to be autonomous with their check ins, demographics, insurance, beneficiary travel reimbursement, and records. Provides the Veteran with a timely check-in for the clinical staff to see on their desktops. The Kiosks are needed throughout VISN 2 (Fingerlakes HCS, Albany VAMC, Northport VAMC, and New York Harbor HCS including associated CBOCs for each location) to support autonomous patient check ins and beneficiary travel reimbursements.

This notice is being published in accordance with Federal Acquisition Regulation (FAR) Subpart 5.101 requiring dissemination of information for proposed contract actions. This is a notice of intent to award a sole source contract and is not a request for competitive quotes/proposals. The statutory authority for this sole source procurement is prescribed by FAR 13.105(a).

The Department of Veterans Affairs, New York locations intend to issue a sole source award contract to Minuteman Technology all responsible sources may submit a capability statement demonstrating the ability to provide the requested services, which shall be considered by the agency before the intended award date. Please note, there is already a licensed network and system in place, these requested kiosks are already configured and communicate with existing process. Interested sources who submit data are responsible for appropriately marking information if it is proprietary in nature. The Government shall not reimburse interested sources for any information provided. No requests for capability briefings will be honored.

NAICS Code: 334118, Computer Terminal and Other Computer Peripheral Equipment Manufacturing
Veterans Health Administration prohibits the use of gray market items in their Medical Centers. Gray market items are considered to be items outside of the original equipment manufacturer's intended distribution channels.

This notice is not a request for quotes; however, all responsible sources may submit a capability statement which shall be considered by the Government. All capability statements must be received by **no later than 10:00 AM Eastern Standard Time on March 30, 2026**. Responses to be submitted to Morgan Weeks, Contracting Officer at Morgan.Weeks1@va.gov. A determination by the Government not to compete this proposed contract based on responses to this notice is solely within the discretion of the Government.
