Part 1
General Information

1. General: This is a non-personal service contract under which the personnel rendering the service are not subject, either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

1.1 Description of Services/Introduction: This is a non-personal service contract to provide all personnel, equipment, supplies, facilities, tools, materials, supervision, and other items and non-personal services necessary to perform lodging, facilities usage, and meals in support of JROTC Cadets and Cadre participating in Camp Big Foot JCLC/STEM Academy in Dahlonaga, GA as defined in this Performance Work Statement except for those items specified as Government furnished property and services. The Contractor shall perform to the standards in this Performance of Work Statement.

1.2 Background: JCLC Big Foot STEM Academy 2026 will be an overnight camp for approximately 366 JROTC cadets and 64 cadre members from 29 programs in Georgia from the US Army 6th Brigade JROTC. The Contractor shall provide all billeting, food service, and all facilities in support of STEM requirements and the JCLC daily operations.

1.3 Scope: The Contractor shall provide lodging, facilities, meals, support personnel, transportation, and STEM facilities. The Cadre will be performing the STEM instruction. The JCLC will be conducted from 26-30 May 2026. The Contractor shall provide services in accordance with the terms, conditions, and specifications set forth in this statement of work to meet the needs of FCS.

1.4 Objectives: The objective is to provide lodging, meals and use of facilities in support of STEM activities.

1.5 General Information:

1.5.1 Quality Control Plan (QCP): The Contractor's existing quality assurance system shall be utilized in accordance with FAR 12.208.

1.5.1.1 The Contractor shall inform the COR of issues or potential issues that might affect the performance within 72 clock hours of identifying those issues. Verbal reports shall be followed by written reports within four (4) working days.

1.5.2 Quality Assurance: The Government will evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government will do to ensure that the Contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rate(s).

1.5.3 Recognized Holidays: The following provides information on recognized holidays for the purpose of the PWS. If the submittal of any documentation (e.g. deliverables, submittals, etc.) deadlines fall on a holiday, the closest work day prior to the holiday will apply as the deadline for submittal.

1.5.3.1 U.S. Holidays: No holidays are observed during this JCLC.

1.5.4 Contractor Support Hours: The Contractor shall conduct business between the hours of 7:00am Eastern Standard Time (EDT) – 9:00pm (EDT) to provide for completion of all tasks within this PWS. The Contractor shall maintain an adequate workforce at all times, for the uninterrupted performance of all tasks defined within this PWS. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce is essential.

1.5.5 Place of Performance: The work to be performed under this contract will be performed at the Contractor's facility within 100 miles of Dahlonega, Georgia.

1.5.6 Period of Performance: The period of performance shall be from 26 May – 30 May 2026.

1.5.7 Type of Contract: The Government will award a Firm Fixed Price Service Contract.

1.6 Security Requirements: The following information is provided on security related matters. Contractor personnel performing work under this contract are not required to have a security clearance.

1.7 Post Award Conference/Periodic Progress Meetings: The Contractor shall attend any post award conference convened by the contracting activity or contract administration office in accordance with FAR Subpart 42.5. The Contracting Officer, COR, and other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings the Contracting Officer will apprise the Contractor of how the Government views the Contractor's performance and the Contractor shall appraise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the Government.

1.7.1 The Contractor shall attend, participate in, and furnish input to scheduled and unscheduled meetings, conferences, and briefings that relate to the functions and services herein as required by the Government to provide effective communication and impart necessary information. The Contract Manager or designated representative shall attend meetings as requested by the Government. Meeting attendees shall at times include Contractor managerial, supervisory, and other personnel knowledgeable of the subject matter. Meetings may start or end outside of regular duty hours.

1.8 Contracting Officer Representative (COR): As determined by the Contracting Officer, a COR will be appointed and identified by letter of designation, a copy of which will be provided to the Contractor by the Contracting Officer. The designation letter states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is not authorized to obligate the Government. If the work is not written in the contract, the COR is not authorized to request new work. The COR is authorized to perform The (COR) will be identified by separate letter. The COR monitors all technical aspects of the contract and assists in contract

administration The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract: perform inspections necessary in connection with contract performance: maintain written and oral communications with the Contractor concerning technical aspects of the contract: issue written interpretations of technical requirements, including Government drawings, designs, specifications: monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of government furnished property, and provide site entry of Contractor personnel.

1.9 Key Personnel:

1.9.1 Government Point of Contact: The Government Point of Contact (POC) – A Camp Commander will be provided upon award of contract. The Government POC will provide all onsite approvals as required.

1.10 Identification of Contractor Employees: All Contractor personnel attending meetings and working in other situations where their Contractor status is not obvious to third parties must identify themselves, to include proper marking of signature blocks in correspondence, to avoid creating an impression in the minds of members of the public that they are Government officials. The Contractor shall ensure that all documents or reports, produced by Contractors are suitably marked as Contractor products or that Contractor participation is appropriately disclosed.

1.11 Safety: The Contractor shall insure all employees meet board of health standards and food handling requirements as well as having knowledge of safety regulations, such as, Occupational Safety and Health Association, (OSHA), proper clothing and footwear. The Contractor shall maintain a professional demeanor when serving the food and be aware of all food safety requirements for preparing and serving food.

PART 2 DEFINITIONS & ACRONYMS

2. Definitions and Acronyms

2.1. Definitions: Although not inclusive of every term used within this PWS, the following provides a list of definitions used throughout this PWS and commonly used in the acquisition field.

Contracting Officer – means a person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings on behalf of the Government. Note: The only individual who can legally bind the Government.

Contracting Officer's Representative (COR) – As defined in DFARS 202.101, means an individual designated and authorized in writing by the Contracting Officer to perform specific technical or administrative functions. DoD Instruction (DoDI) 5000.72, Part II Definitions states the following when defining a COR: "Defined in subpart 202.101 of Reference (f). Any individual delegated responsibilities pursuant to subpart 1.602-2 of Reference (e), regardless of local terminology, must be certified in accordance with this instruction. For example, local terminology can be COR, Contracting Officer's technical representative, technical point of contact, technical representative, alternate COR, administrative COR, assistant COR, line item manager, task order manager, quality assurance personnel, quality assurance evaluator, or COR management." In addition, Army Regulation 70-13,

Chapter 2, paragraph 2-2g, states, in part, the following when providing other surveillance support personnel to assist the COR when needed, "...These other surveillance support personnel may serve as on-site representatives of the COR in performance of actual contract surveillance if they meet all COR requirements and have been appointed by the Contracting Officer as alternate CORs."

Contractor – means a supplier or vendor awarded a contract to provide specific supplies or service to the Government. The term used in this contract refers to the prime.

Day – means, unless otherwise specified, a calendar day.

Defective Service – means a service output that does not meet the standard of performance associated with the Performance Work Statement.

Deliverable – means anything that can be physically delivered but may include non-manufactured things such as meeting minutes or reports.

Key Personnel - means Contractor personnel that are evaluated in a source selection process and that may be required to be used in the performance of a contract by the Key Personnel listed in the PWS. When key personnel are used as an evaluation factor in best value procurement, an offer can be rejected if it does not have a firm commitment from the persons that are listed in the proposal.

Physical Security – means that part of security concerned with physical measures designed to safeguard personnel; to prevent unauthorized access to equipment, installations, material, and documents; and to safeguard against espionage, sabotage, damage, and theft.

Quality Assurance – (or Government contract quality assurance) means the various functions, including, inspection, performed by the Government to determine whether a Contractor has fulfilled the contract obligations pertaining to quality and quantity.

Quality Assurance Surveillance Plan (QASP) – means the key Government-developed surveillance process document and is applied to Performance-Based Service Contracting (PBSC). The QASP is used for managing Contractor performance assessment by ensuring that systematic quality assurance methods validate that Contractor quality control efforts are timely, effective, and are delivering the results specified in the contract or task order. The QASP directly corresponds to the performance objectives and standards (i.e., quality, quantity, timeliness) specified in the Performance Work Statement (PWS). It provides specific details on how the Government will survey, observe, test, sample, evaluate, and document Contractor performance results to determine if the Contractor has met the required standards for each objective in the PWS. The QASP, with very few if any exceptions, is an internal to Government document.

Quality Control – means all necessary measures taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

Subcontractor – means one that enters into a contract with a prime Contractor. The Government does not have privity of contract with the subcontractor.

Work Day - The number of hours per day the Contractor provides services in accordance with the contract.

Work Week - Monday through Friday, unless otherwise specified.
