PSC DA10 – BUSINESS APPLICATION SOFTWARE AS A SERVICE

The U. S. International Trade Commission (USITC or Commission), intends to make an award, on a sole source basis, to William S. This requirement is for an annual subscription to HeinOnline. HeinOnline serves as a comprehensive digital repository for historical and contemporary legal and multidisciplinary research materials. Its precise image-based PDF's, advanced search tools and wide breath of authoritative content make it a valuable tool for researchers and legal professionals seeking reliable fully searchable primary and secondary sources.
