45 CONS is interested in any size business that is capable of meeting this requirement.

Market research is being conducted to determine interest, capability, and socio-economic category of potential sources for the requirement. The government requests interested parties submit a brief description of their company's business size (i.e. annual revenues and employee size), business status (i.e., 8(a), Historically Underutilized Business Zone, or SDVOSB, WOSB, EDWOSB, or small business) anticipated teaming arrangements, and a description of similar services offered to the Government and to commercial customers. Include in your capabilities package your DUNS, Cage Code, System for Award Management expiration date, GSA contract number and expiration (if applicable), and any related specifications/drawings.

Any responses involving teaming agreements should delineate between the work that will be accomplished by the prime and the work accomplished by the teaming partners. The Government will use this information in determining its small business set-aside decision.”

45 CONS is interested in receiving comments from the industry on the draft PWS/SOO in regards to how the services are performed in the commercial industry.

All interested firms shall submit a capabilities package that explicitly demonstrates company capabilities-indicating examples of commercial sales-and product specifications related to this effort. Also indicate if you are the manufacturer or provide the name and size of the manufacturer of the product(s) you will be supplying. Respondents are further requested to indicate their status as a

Foreign-owned/foreign-controlled firm and any contemplated use of foreign national employees on this effort. **The response must not exceed 5 pages.**

Include in your capabilities package your DUNS, Cage Code, System for Award Management (SAM) registration expiration date, GSA contract number and expiration date (if applicable). Moreover, we are requesting interested companies to propose a pricing schedule that can be utilized in a potential solicitation for the requirement.
