

AFTC/PZIA located at Arnold AFB, TN intends to solicit and negotiate with only one source, Chalmers & Kubeck, Inc. (CAGE Code 1TG13), to meet the Government's requirement for one, brand name, V34 Limitorque Actuator Valve, S/N 123582 and one, brand name, V35 Limitorque Actuator Valve, S/N 123581 in accordance with (IAW) Attachment 1 – Technical Requirement.

The Government intends to award a Firm-Fixed-Price contract with only one source under the authority of 41 U.S.C. 1901, as the requirement is available from only one responsible source and no other type of property or services will satisfy the needs of the agency.

Pursuant to FAR RFO 12.102(a), this statement documents the decision that only one source is available for this acquisition and the basis for that decision. Based on preliminary market research efforts, the Contracting Officer has determined that only one source, Chalmers & Kubeck, Inc., is available to meet the subject requirement. The North American Industry Classification System (NAICS) code that will be utilized for this acquisition is 333995, Fluid Power Cylinder and Actuator Manufacturing, with the corresponding business size standard of 800 employees. The Product Service Code (PSC) for this requirement is 4810, Valves, Powered. Foreign participation is authorized.

This notice of intent is not a request for competitive quotes. However, the Government will consider all responses received electronically by **12:00 PM Central Time on 1 April 2026**. A determination by the Government to not compete this requirement based upon responses to this notice is solely within the discretion of the Government. The information received may only be considered to determine whether to conduct a competitive procurement. All questions and comments should be addressed to Ms. Aliyah Moore, Contract Specialist, aliyah.moore-minor@us.af.mil and secondary contact Ms. Bethany Hill, Contracting Officer, bethany.hill.3@us.af.mil. If no favorable responses are received by the date mentioned above, a contract will be negotiated with the above-named source.
