

IAW RFO 5.101(c)(4):

The 2 Air and Support Operations Squadron at Vilseck Air Base is looking to obtain Advanced Marksmanship Training

The contractor shall provide all necessary personnel, supervision, and services to deliver specialized advanced marksmanship training. The duration of the course shall be 10 days, max 12 students. Key requirements are detailed below.

Instructor Qualifications & Prerequisites

- The Contractor shall maintain a minimum of four (4) full-time team members who are verified graduates of the USAF Weapons School (USAFWS).
- The Contractor shall ensure all instructors possess the appropriate security clearances required for the operation of specified systems and for the delivery of all course lessons. This requirement is mandatory and cannot be waived.
- The contractor shall provide 2x instructors for the entirety of the course. All instructors will have 7+ years of relevant experience to deliver the course content effectively and ensure a comprehensive learning experience for the attendees.

Security & Compliance

- The vendors must hold a U.S. Government security clearance.

The Government will provide the following equipment for training:

- Cloud RF: MANET Planning Software
- PRC-161 / Link-16
- PRC-163, 167, TW-875 / MANETs
- Silvus Radios
- PRC-117G / MUOS & SATURN
- PRC-160 / 3G, 3G+, 4G, LDD
- SKL/Crypto
- Maneuver Gateway
- Voyager 8 and Voyager 8+
- Starshield
- MMT
- Tampa Microwave Antenna

- Kymeta U8 (if applicable)

The proposed contract action is anticipated to be a sole-source acquisition to WepTac A.G., justified by the highly specialized training requirements of the customer. Technical data will not be furnished as part of this notice. Notwithstanding this, all responsible sources may submit a statement of capability, quotation, bid, or proposal, which will be considered by the agency. An offeror's proposed training must meet the requirements listed above in order to be eligible for potential award. If no eligible responses are received in response to this noncompetitive contract action presolicitation notice, the award will be made to WepTac A.G..

Funds have been received; however, the anticipated contract award date is TBD due to publication of this notice.
