Subsistence Total Order & Receipt Electronic System (STORES)

DoW Customers will order using the Subsistence Total Order and Receipt Electronic System (STORES) catalog. STORES EDI information can be found in attachment. The vendor is responsible for establishing and maintaining the STORES catalog in accordance with attachment.

1. Accessed via the Internet, STORES is the Government's translator/ordering system that is capable of accepting orders from any of the Services, i.e. **Army, Air Force, Navy, or Marines**, individual ordering systems and translating them into an Electronic Data Interchange (EDI) format. In addition, this information is passed to DLA Troop Support for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their requirements through STORES. The System will transmit orders to the vendor and DLA Troop Support.

3. The awardee shall be required to interface with STORES and must be able to support the following EDI transactions:

810	Electronic Invoice
820	Payment Voucher Information
832	Catalog (Outbound - Vendor to DLA Troop Support)
850	Purchase Order
861	Receipt
997	Functional Acknowledgement

4. The vendor shall have access to the Internet and be able to send and receive electronic mail (email).

5. Unit prices must be formatted not more than two (2) places to the right of the decimal point in all ordering catalogs.

6. Vendors are required to utilize the Government's item descriptions on all electronic ordering catalogs (832 transmissions) as well as on its invoices, delivery ticket to customer and 810 invoice transaction set.

7. The offeror may be required to transmit 810, 832, and 997 transactions, prior to award and during proposed evaluations, in order to demonstrate its EDI capability.

8. The vendor will utilize the DLA Troop Support invoice reconciliation process, or other such systems as may become available, to the maximum extent, towards the goal of correcting invoices early and facilitating the payment process.

9. In the event the STORES system or the vendors interface is not operational, the vendor must provide alternate ways for the customer to order (e.g., by fax by phone, pick up orders, etc.)

A complete description of these transaction sets is included in the "EDI Implementation Guidelines" has been provided as an attachment.

FFAVORS Web

The vendor who receives the potential award may be required to use the ordering system FFAVORS WEB.

Non-DoW customers (USDA school and reservation customers) will utilize the Fresh Fruit and Vegetable Order Receipt System (FFAVORS) Web catalog. The successful awardee will be provided a User ID and password to Log in and receive orders through FFAVORS Web, a web-based ordering system. The vendor is responsible for establishing and maintaining the FFAVORS WEB catalog.

1. Accessed via the Internet. FFAVORS WEB is the Government's ordering system for USDA Customers. It is capable of accepting orders from the schools.
2. Customers will be able to order all of their requirements through FFAVORS WEB. The system will transmit orders to the vendor and DLA Troop Support.
3. In the event the FFAVORS WEB system is not operational, the vendor must provide alternate ways for the customer to order (e.g., by fax, by phone, pick up orders.)
4. The vendor shall have access to the Internet and be able to send and receive electronic mail (email).
