

**JUSTIFICATION AND APPROVAL FOR OTHER THAN FULL AND OPEN
COMPETITION**

Updated IAW Revolutionary FAR Overhaul 6 and DOI-AAAP-F006

In accordance with Revolutionary FAR Overhaul 6.103 or FAR 13.501(a), the proposed contractual action is pursuant to the statutory authority identified in paragraph 4. This template is required for actions over the Simplified Acquisition Threshold (unless the procurement is acquired as a limited source IAW FAR 8.405-6 or is an Exception to Fair Opportunity IAW FAR 16.505(b)(2)).

1. Agency and Contracting Activity (FAR 6.104-1(a)(1)).

Bureau of Reclamation
Interior Region 10 - California Great Basin
Acquisition Services
2800 Cottage Way, Room E-1815
Sacramento, CA 95825

2. Nature/Description of Action (FAR 6.104-1(a)(2)).

This is a sole source procurement action to GE Vernova's authorized reseller, CB Pacific, for renewal of GlobalCare software support service for the Bureau of Reclamations (BOR) Supervisory Control and Data Acquisition (SCADA) system. The products included in this requirement are iFIX Plus SCADA, iClient and Historian. This request will result in the issuance of a new Firm-Fixed Price purchase order. Fiscal year 2026 funds will be utilized.

3. Description of Supplies/Services (FAR 6.104-1(a)(3)).

Central Valley Operations Office (CVOO) requires support for 66 separate licenses. The software included in this contract was developed by GE Vernova and sold by CB Pacific, whose parent company is GE Vernova. The software is necessary to support the SCADA system at CVOO. The SCADA system provides control of the local and remote water system. This system is computer based and specialized software is needed to manage the databases, graphic interface and operate the water systems. The software also includes bug/ defect fixes via patch releases and updates/ upgrades in function and technology to maintain operability and usability of the software product.

The period of performance for this new purchase will be April 1, 2026 through March 31, 2027. The total dollar value of these services is estimated to be [REDACTED].

4. Statutory Authority Permitting Other than Full and Open Competition (FAR 6.104-1(a)(4)). (Check one)

	Authority	FAR Coverage	Application
☒	41 U.S.C. 1901	FAR 13.501	Only one responsible source using Simplified Acquisition Procedures (above SAT but at or below \$9M)
☐	41 U.S.C. 1903	FAR 13.501	Special emergency procurement authority
☐	41 U.S.C. 3304(a)(1)	FAR 6.103-1	Only one responsible source and no other supplies or services will satisfy agency requirements
☐	41 U.S.C. 3304(a)(1)	FAR 6.103-1(d)	Application for brand-name descriptions
☐	41 U.S.C. 3304(a)(2)	FAR 6.103-2	Unusual and compelling urgency
☐	41 U.S.C. 3304(a)(3)	FAR 6.103-3	Industrial mobilization; engineering, developmental or research capability; or expert services
☐	41 U.S.C. 3304(a)(4)	FAR 6.103-4	International Agreement
☐	41 U.S.C. 3304(a)(5)	FAR 6.103-5	Authorized or required by statute
☐	41 U.S.C. 3304(a)(6)	FAR 6.103-6	National Security
☐	41 U.S.C. 3304(a)(7)	FAR 6.103-7	Public Interest

5. Demonstration of Contractor's Unique Qualifications (FAR 6.104-1(a)(5)).

GE Vernova is the sole developer, licensor, and support service provider for GlobalCare software. Due to the proprietary nature of the software, vendors other than an authorized reseller would not be able to support the software. Additionally, only authorized distributors may sell and provide support services for GE Vernova's products. CB Pacific is the only authorized distributor/ seller that is assigned to sell the software and provide service for the software to BOR.

6. Description of efforts made to maximize competition (FAR 6.104-1(a)(6)).

There are no efforts that could have been made to maximize competition because awarding to another vendor would require CVOO to do a full reprogramming of the system infrastructure, which would leave BOR not being able to access security updates for the current deployed software. This would put the Bureau of Reclamation in violation of the Federal Information Security Management Act (FISMA) and the North American Electric Reliability Corporation Critical Infrastructure Protection (NERC-CIP) compliance obligations.

7. Determination of Fair and Reasonable Cost (FAR 6.104-1(a)(7)).

The amount of the resulting purchase order action will be determined fair and reasonable by the Contracting Officer based on the techniques set forth in FAR 13.106-3(a)(2)(i) market research, (ii) a comparison of the proposed price with prices found reasonable on the previous purchase, and (iv) a comparison with similar items in a related industry.

8. Description of Market Research Conducted (FAR 6.104-1(a)(8)).

The Contracting Officer sent an email to Kelly Pontiff from CB Pacific and David Collard from GE Vernova on 2/25/2026 to confirm that CB Pacific is the only provider of the required software. Kelly Pontiff confirmed via email on 2/26/2026 that GE Vernova is the developer of GlobalCare software and CB Pacific is the sole authorized reseller of this software who is assigned to provide services to BOR. This was confirmed by the Sole Source Letter attached.

Based on this information, CB Pacific is the only available vendor that can fulfill this procurement.

9. Any Other Supporting Facts (FAR 6.104-1(a)(9)).

None

10. Listing of Interested Sources (FAR 6.104-1(a)(10)).

CB Pacific
909 7th Avenue, Suite 201
Kirkland, WA 98033-5715

11. Actions Taken to Remove Barriers to Competition (FAR 6.104-1(a)(11)).

There are no actions that Reclamation could reasonably take to remove barriers to competition. GE Digital is the developer, licensor and support service provider for the software provided in this procurement. CB Pacific is the only reseller for this service that is assigned to provide this software service to BOR. Additionally, going with a different vendor would require the CVOO office to go through full technical review of the whole system infrastructure for compatibility and would also require full and complete reprogramming of the system.
