☒ **The supplies or services must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.**

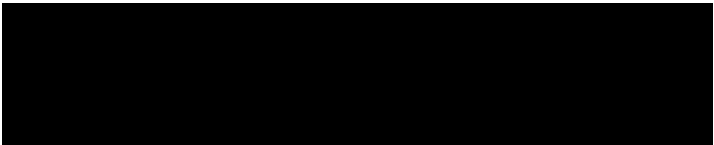

Only Caterpillar authorized service providers are capable of fulfilling this requirement for Caterpillar-brand generators providing preventative maintenance and warranties to Caterpillar generators. Carter Machinery Company, Inc. is the only company in the local area that is certified and capable of preventative maintenance of the Caterpillar generators and can fulfill the four-hour window for responding to emergencies. There are no other local vendors that are certified technicians and registered in SAM. Caterpillar designates Caterpillar-authorized service providers as having the resources, expertise, and parts necessary to complete required services on Caterpillar brand name generators.

The current generators are Caterpillar brand and require preventative maintenance and warranty support. The previous contract, N0018921P0172, was awarded to Carter Machinery Company, Inc. to do preventative maintenance and emergency response to these generators. Caterpillar brand service provides authorized maintenance, warranties, and Caterpillar brand replacement parts. Carter Machinery Company, Inc. has the ability to do maintenance on these generators, while also available for emergency repairs.
