6.0 Technical Representative (TR). To be determined upon contract award.

7.0 Unauthorized Work Statement. The Contracting Officer is the only person authorized to approve changes in any of the requirements of this order. The Contractor shall not consider any order, statement, or conduct by Government personnel who visit the Contractor's facilities or in any other manner communicate with Contractor personnel during performance of this requirement as a change to the terms and conditions of the contract. The Contractor shall not comply with any order (verbal or written), direction or request of any Government personnel unless it is issued, in writing, by the Contracting Officer. In the event the Contractor or contractor personnel effect any change to this requirement by direction of any individual other than the Contracting Officer will have done so without authority and shall bear all costs associated with such change.

8.0 Quality Assurance Surveillance Plan.

8.1 Purpose. This Quality Assurance Surveillance Plan (QASP) has been developed to provide the standard of surveillance for monitoring Contractor performance in accordance with the Performance Work Statement (PWS).

8.2 Oversight. The Contractor's performance will be overseen by the Technical Representative (TR) to ensure services are provided in accordance with the PWS.

8.3 Performance Requirement Summary. The service requirements are summarized into performance objectives that relate directly to mission essential items. The performance threshold briefly describes the minimum acceptable level of service required for each requirement. These thresholds are critical to mission success.

Performance Objective	PWS Section	Performance Standard	Performance Threshold	Method of Surveillance
-----------------------	-------------	----------------------	-----------------------	------------------------

24/7 access to database for CID investigators	5.0	The database should be accessible by CID criminal investigators on a 24/7 basis, not including regular downtime for scheduled maintenance.	95% of database access attempts are successful.	95% Inspections
---	-----	--	---	-----------------

Note: If any of the acceptable performance levels are not met on a given objective, the Contractor and Technical Representative will discuss the nature of the less than acceptable performance, and indicate that if improvement is not immediately made, the Contractor may face a substandard performance rating on record for future Government work or face the possibility of contract termination.

9.0 Contract Administration.

- 9.1** Except as specified in paragraph 9.2 below, no order, statement, or conduct of Government personnel who visit the Contractor's facilities or in any other manner communicate with Contractor personnel during the performance of this contract shall constitute a change under the "Changes" clause of this contract.
- 9.2** The Contractor shall not comply with any order, direction, or request of Government personnel unless it is issued in writing and is signed by the Contracting Officer or is pursuant to specific authority otherwise included as a part of this contract.
- 9.3** A Contracting Officer for the Marine Corps Base, Camp Lejeune, NC is the only person authorized to approve changes in any of the requirements of this contract and, notwithstanding, provisions contained elsewhere in this contract, the said authority remains solely the Contracting Officer's. In the event the Contractor effects any changes at the direction of any person other than a designated Contracting Officer, the change will be considered to have been made without authority, and no adjustment will be made.
- 9.4** The contact information for the Contracting Officer is in Block 16 of the SF 1449 solicitation.
