** This is a SSN for the purpose of conducting Market Research. Proposals are **NOT** being requested, nor accepted at this time. Responses are being requested from both Large and Small Businesses. **

1. **Purpose:**

- a. The purpose of this SSN is to gain knowledge regarding the types of interested businesses and their qualifications. Information obtained through this SSN by the NPS will be utilized to develop the acquisition strategy. The amount of interest, or lack thereof, will determine the possibility of a Small Business or other Socio-Economic Set-Aside for solicitation and award purposes. Analysis of the quality of responses to this SSN will be considered in the Market Research being conducted and in the making of any set-aside determination for this requirement.
 - b. The Government anticipates conducting a competitive acquisition for this requirement. The amount of interest or lack thereof will determine the possibility of a small business or other socio-economical small business set-aside for the solicitation. Analysis of the quality of responses to this source sought announcement will be considered in the market research being conducted, and in the making of any small business set-aside determination for this requirement.
 - c. No solicitation, proposal package, specifications, or drawings are available with this SSN.
2. **Cost Reimbursement:** Response to this announcement is strictly voluntary. No reimbursement will be made for any costs associated with providing information in response to this SSN, nor any follow-up information requests.
3. **Bonding:** Bid, Performance, and Payment Bonds are anticipated to be required.

4. **North American Industry Classification System (NAICS) code:** 237310 – Highway, Street, and Bridge Construction and **Size Standard:** \$45M
5. **Project Description:** The project structures are located within Golden Gate National Recreation area. There are 10 structures included in this preservation project. Scope includes concrete repair, guardrail repair, tree removal, stormwater management installation, timber replacement and preservation, fence removal, sidewalk joint repair, steel rail painting, hazardous materials removal, traffic control and temporary works needed to deliver scope.
- A. Project Location: to occur at the following locations within Golden Gate National Recreation Area:
1. Easkoot Bridge at the entrance to Stinson Beach near the town of Stinson Beach, CA.
 2. Rodeo Lagoon Pedestrian Bridge across Rodeo Lagoon near Rodeo Beach and Rodeo Lagoon Road Bridge on Bunker Road near Rodeo Lagoon near Sausalito, CA.
 3. Point Bonita Viaduct, Point Bonita Trail Bridge, Point Bonita Tunnel Bridge, Point Bonita Truss Bridges 1 and 2 along the Point Bonita Trail Corridor near Sausalito, CA.
 4. Crissy Field Bridge on the San Francisco Bay Trail near the intersection of Halleck St and Old Mason St, San Francisco, CA.
 5. Point Lobos Viaduct supporting Point Lobos Avenue near 1090 Point Lobos Avenue, San Francisco, CA.
- B. Magnitude of construction is \$5 million or less – mandatory;
- C. The surrounding area to the structures ranges from urban to rural with limited staging located within the park at each of the structures;
- D. The work under this contract will be located adjacent to the main entrance of the park and visitor center. Coordination will be necessary for equipment inspections, material delivery, and phasing of the project work to not interrupt the operation of shuttle buses during construction;
- E. The construction site is 5 of miles from nearest suppliers and lodging facilities;
- F. The Park will remain open during construction, thus contract activities and logistics must be structured and scheduled to minimize visitor impact;
- G. The site requires protective measures to ensure the surrounding area remains undisturbed;
- H. The work under this contract will be on structures over waterways and wetlands that will require protective measures under this contract;
- I. The anticipated period of performance of 200 calendar days;
6. **Project Scope:** The work covers bridge preservation activities that include guardrail repair, concrete repair, tree removal, stormwater management installation, timber replacement and preservation, sidewalk joint repair, steel rail painting, fence removal, and hazardous waste removal.

7. **Solicitation**: At this time, NPS DSC anticipates issuing a competitive Request for Proposals (RFP) around the Summer/Fall 2026; and awarding a single Firm-Fixed-Price (FFP) contract.
8. **Submittal Instructions**: Responses shall be captured by filling out (in its entirety) the attached Sources Sought Survey Questionnaire and a capabilities statement. The interested contractor shall respond no later than 2pm Mountain Time (MT) NLT on 5 May 2026, 2 PM MT by emailing the Shellie Murphy, Contracting Officer.
