1. The SF1449 included in the solicitation package is watermarked as a draft. Has a final version been issued, or should we complete and return the draft form with our pricing?

Complete the SF 1449 and return the draft

2. Should our submission include a completed SF1449 with CLIN pricing, or is the Combined Synopsis response (capabilities statement and mobilization schedule) the only deliverable required at this stage?

Submit SF 1449, Capabilities statement, and Mobilization Schedule

3. We are interested in the subject solicitation, could you please let me know when you post this solicitation as RFQ?

Solicitation is posted, please submit SF 1449, Capabilities statement, and Mobilization Schedule
