Request for Information
SP7000-26-RFI-1010

This is a Request for Information (RFI) only and in no way obligates the Government in an award of any contract. Any information submitted in response to this RFI is strictly voluntary. This RFI is issued for the purpose of determining market interest, feasibility, and capability of sources. There is no solicitation package available.

DLA Information Operations (EMS) Division seeks to enter into a contract for up to 60-month lease of 32 (thirty-two) Multi-functional Devices (MFDs) and 27 (twenty-seven) Removable Hard Drives, including installation and removal, full-service maintenance, all consumable supplies (excluding paper), key operator training, reports, relocations, network functionality, and network security for various locations in Japan. Please refer to Attachment 1 - Performance Work Statement.

Proposed Contract Line Items* (CLINs):

- CLIN 0001 – Volume Band 1 (1NC) – Quantity: 5
- CLIN 0002 – Volume Band 1 (1SC) – Quantity: 22
- CLIN 0003 – Volume Band 2 (2SC) – Quantity: 5
- CLIN 0004 – Removable Hard Drive – Quantity: 27

The Government will not pay for any information submitted in response to this RFI nor will the Government compensate any respondent with costs incurred in developing the information provided to the Government.

All interested sources and qualified sources from industry interested in this announcement, please provide the information below by electronic mail to the Government point of contact no later than 20 April 2026 by 2:00 PM Eastern.
