

STATEMENT OF WORK (SOW)
For Battlefield Operations Support Systems (BOSS)
Tactical Communications Group LLC Support Plan
16 April 2026

1.0 INTRODUCTION.

1.1 Background. [REDACTED] currently owns/fields twenty-two (22) BOSS Systems purchased from Tactical Communications Group LLC who are now legally designated as Curtiss-Wright DS, INC. Our core mission needs require operational systems, continued upgrades and maintenance support to ensure the systems are current and fully operational for the execution of tests.

1.2 Scope. A new contract is required for product support, software updates, technical support, a hardware upgrade after 3 years of continuous service, and on-site training for twenty-two (22) BOSS systems currently fielded from Tactical Communications Group legally known as Curtiss-Wright DS, INC. (System ID#s TCG0904, TCG0905, TCG0906, TCG0991 and TCG0992, TCG0993, TCG0995, TCG0996, TCG0997, TCG0998, TCG1147, TCG1156, TCG1157, TCG1158, TCG1159, TCG1160, TCG1161, TCG1162, TCG1163, TCG1166, TCG1243, TCG1271)). This contract should also include continued product warranty for software and hardware across all fielded systems.

2.0 TECHNICAL REQUIREMENTS. The contractor shall provide the following support:

2.1 Unlimited help desk support. On-demand technical support via email and/or phone with Curtiss-Wright DS, INC.'s BOSS system experts during normal east coast business hours.

2.2 Software updates for system components within the sponsor's Curtiss-Wright DS, INC.'s BOSS System.

2.3 One site visit (up to 3 days) at no additional cost. Site visit includes a myriad of items including but not limited to a refresher training course. The on-site training visit by Curtiss-Wright DS, INC. experts will be used to train sponsor-selected personnel on sponsor-selected topics/aspects of the BOSS system. The contractor shall coordinate with Government point of contact to determine on-site training dates.

3.0 APPLICABLE DOCUMENTS.

The contractor shall use documents specified in the basic contract, as needed, to meet requirements of this Delivery Order (DO).
