

SOURCES SOUGHT ANNOUNCEMENT:

GYM EQUIPMENT MAINTENANCE

THIS IS A SOURCES SOUGHT ANNOUNCEMENT ONLY. THERE IS NO SOLICITATION AVAILABLE AT THIS TIME. REQUESTS FOR A SOLICITATION WILL NOT RECEIVE A RESPONSE.

The 366 Contracting Squadron (366 CONS) of the 366 Fighter Wing (366 FW) is conducting market research to determine the availability, interest, and capability of potential business sources qualified and able to compete for a contract to provide all personnel, labor, supervision, management, supplies, tools, equipment, parts, materials, transportation, shipping/ delivery and all other items/ services necessary to ensure gym equipment maintenance services are performed at the Gunfighter Fitness Center at Mountain Home AFB, ID 83648. Please review the attached requirement description document.

- PWS-Fitness Equipment Maintenance- DRAFT

The information in this notice is based on the most current information available to date. This information is subject to change and is not binding to the Government. Updated information will be provided in future announcements or as needed. The Government shall not reimburse the costs of preparing responses to this request for information / sources sought notice.

The NAICS code for this requirement is 811490, “Other Personal and Household Goods Repair and Maintenance” The Small Business Size Standard is \$8 million.

The government requests interested parties to please respond/email the listed Point(s) of Contact (POC) to this notice with your company information to include SAM UEI and Cage Code, and Small Business size status if any. Please state in your correspondence that you are interested, and after reviewing the requirement information provided in this notice, if you believe you are capable of meeting this requirement and the associated timeline for delivery/performance.

Submit your response to katie.sanderson@us.af.mil and Jaclyn Fish, jaclyn.fish@us.af.mil by 12 PM Tuesday the 21st of April.

366 CONS is interested in quantifying and pre-qualifying the likelihood of setting aside competition for this requirement at Mountain Home AFB to a small business. Depending upon the responses to this notice and other market research, 366 CONS may limit the competition to a specific socio-economic small business category at the exclusion of all other potential business concerns.

This announcement serves as the first step for 366 CONS to determine the viability of setting aside this requirement for competition solely within or among certain small businesses in selected categories. This is a Sources Sought Announcement only; no solicitation exists or is available at this time. Requests for a solicitation shall not receive a response.

This announcement shall not be construed as a commitment by the Government to issue a solicitation or ultimately award a contract. In the event a solicitation is developed, currently, the government anticipates Issuing a Combined Synopsis/Solicitation which will be posted to the GPE (sam.gov).

Interested parties should respond by contacting the POC's identified in this notice, please clearly state your interest and capability in this requirement. Whether or not you can provide the requested products and/or services based on any attachments or item/service description, include your company information, SAM UEI/Cage Code, point of contacting info (Name/Email/Phone) if you are a Large Business, Small Business and/or any potential Small Business socio-economic categories based on the NAICS Code and applicable small business size standard. There is no need to provide past performance information at this time.
