1. Provide responses to Pre-Proposal Inquires (PPIs):

No.	Reference			Question	Response
	Page	Section	Paragraph		
1				Cover page indicates that an offer guarantee is required, however the bid bond requirements are not provided (on previous solicitations, the bid bond requirements have been listed as a bullet point for what is to be included with the price proposal package). Please provide bid bond information (in the past, has been 20% of bid, but not to exceed \$3 million).	Yes, a bid guarantee is required. Please see the updated INSTRUCTIONS TO OFFERORS.
2				ELIN A01202 - E01202 (Non-Prepriced Materials) have always had a government determined value entered in on the pricing spreadsheet (on the last contract it was a lump sum of \$250,000). This current solicitation has a blank value, and a quantity of 5 EA. Can we get clarification if this item should be a pre-determined lump sum government dollar figure for the base and option years?	ELINs A01202 - E01202 (Non-Prepriced Materials) should be 1 lump sum of \$250,000 for the Base and Option Years. Please see the updated ELINs - attached separately.

3				There are no specifications uploaded to PIEE or SAM's for this solicitation. Please provide specifications, or clarify if bids are to be based on the specifications for the previous iteration of this IDIQ contract.	Please see the provided Specifications - attached separately.
