

FMSS Furniture Exchange Program RFI Questions

A. Company Experience & Capability

1. Describe your company's experience providing nationwide furniture remanufacturing, exchange, delivery, and installation services, including examples of projects of similar size, scope, and complexity.
2. Identify any relevant GSA and/or other GWAC contracts for which your company holds.
3. Describe your capability to manage multiple concurrent task orders nationwide, including program management structure, staffing, logistics network, and surge capacity.

B. Remanufacturing & Technical Capability

1. Describe your remanufacturing capabilities and processes, including ability to support multiple manufacturers, legacy systems, and electrical upgrades.
2. How do you ensure consistent 'like-new' condition, quality, and compatibility across remanufactured products?

C. Exchange Credit & Financial Management

1. Describe your methodology for determining exchange credit value, assessing condition, and supporting valuation with documentation.
2. Describe any systems for tracking exchange credits, ensuring audit traceability, and managing disposition proceeds and costs.

D. Disposition, Recycling & Sustainability

1. Describe your approach to furniture disposition, including reuse, remanufacturing, recycling, and disposal, and typical distribution percentages.
2. Describe how you measure and report environmental impacts and savings, including tools/models and certifications.

E. Scheduling, Installation & Quality Control

1. Provide typical timelines for assessment, design, remanufacturing, and installation.
2. Describe your installation and quality control processes, including safety compliance and punch list management.

F. Warranty & Post-Installation Support

1. Describe your standard warranty terms, response timelines, repair processes, and nationwide support capability.

G. Risks, Lessons Learned & Recommendations

1. Provide recommendations to improve the PWS, QASP, and overall contract structure.
2. Identify any unclear, ambiguous, or restrictive requirements.

H. Small Business & Teaming

1. Identify your business size, socioeconomic category, and describe your interest in prime or subcontracting roles and teaming arrangements.
