

Offerors shall include a unit cost (excluding indirect costs and profit) for any commodity in the schedule in column F. Note: Offeror does not have to propose on any or all material/commodities listed. Only those materials/commodities that the Offeror proposes a unit cost will be subject to adjustments in accordance with FAR 52.216-4. If a unit cost is not proposed, adjustments will not be allowed. FAR 52.211-18 Variation in Estimated Quantity does not apply to Attachment AF. The estimated quantities are strictly for the purpose of administering the clause. Price adjustments subject to FAR 52.216-4 are limited to, at a maximum, the quantities listed below.

CATEGORY	RESOURCE CODE	DESCRIPTION	TOTAL QUANTITY	UNIT	Unit Price (Excludes costs and profit)
SWITCHGEAR	SW 1	Prefabricated Medium Voltage switchgear building, Gosport Tie Station	1.00	EA	
SWITCHGEAR	SW 2	Medium-cable single cable, copper, XLP shielding, grounded neutral, 35 kV, 750	46,900.00	CLF	
SWITCHGEAR	SW 3	Medium-cable single cable, copper, XLP shielding, grounded neutral, 35 kV, 350 kcmil,	24,000.00	CLF	
SWITCHGEAR	SW 4	CONDUIT RTRC 6" diameter	23,660.00	LF	
SWITCHGEAR	SW 5	Structural concrete, ready mix, heavyweight, 5000 psi, includes local aggregate, sand, Portland cement (Type I) and water, delivered, excludes all additives and treatments	3,711.00	CY	
SWITCHGEAR	SW 6	Uninterruptible power system, 3 phase, 480 V input, 3 phase 277/480 V output, 60 Hz, 50 kVA, incl static transfer switch and mechanical bypass switch	1.00	EA	
SWITCHGEAR	SW 8	Steel piles, steel, pipe piles, concrete filled 3' deep per pile, 60' long, 14" diameter, 46 lb./L.F., excludes mobilization or demobilization	4,488.00	VLF	
SWITCHGEAR	SW 9	Prefabricated Medium Voltage switchgear building, Gosport Tie Station	1.00	EA
