ZERUST VC2-2 NORUST VAPOR CAPSULE CREATES AN INVISIBLE VAPOR SHIELD AROUND ALUMINUM, BRASS, COPPER, IRON, STEEL, AND SILVER TO PROTECT FROM RUST. PLACE ZERUST NORUST VAPOR CAPSULE INSIDE A STORAGE CONTAINER OR ANY ENCLOSURE TO PREVENT RUST AND CORROSION. ZERUST NORUST VAPOR CAPSULE IS AN INVISIBLE VAPOR THAT FORMS A CORROSION AND RUST RESISTANT BARRIER ON METAL SURFACES. ONE SMALL CAPSULE PROTECTS A RADIUS OF 2 FEET FOR TWO YEARS. CAPSULE SIZE: 3" X 1-1/4" X 7/8" NONTOKIC / ODORLESS ENVIRONMENTALLY SAFE. CAPSULE HAS ADHESIVE BACK.                                                                                                                                                                                                                                                                                                                                   |                         |                       |  |  |                        |  | X           | U           | EA         | 2                   |   |   |   |   |
