

RFI #3 for AIDP-Next – One on Ones and Draft CFS

- 1. Title:** Project Manager Intelligence Systems & Analytics (PM IS&A) Army Intelligence Data Platform- Next (AIDP-Next) Request for Information #3
- 2. RFI History:**
RFI #1, Market Research, Notice ID: ACCAPG25P010860
RFI #2, Industry Day, Notice ID: ACCAPGAIDPCTE
- 3. Problem Statement:** The fielded Army intelligence solution operates solely through an enterprise cloud-based system that allows users to perform Intelligence Warfighting Function (IWfF) tasks. The existing solution lacks a cohesive, integrated approach for operating from the Enterprise Cloud to the Tactical Edge (Denied, Degraded, Intermittent, and Limited network connectivity), across multiple security domains (Secret and Top Secret), with a common user interface, supported by seamless, lossless, near-real time data sharing. How does the Army fill these capability gaps to support the Army IWfF from an Enterprise Cloud to the Tactical Edge and provide military intelligence capabilities and information to Next Generation Command and Control (NGC2) and Army mission command systems.
- 4. One-on-Ones:** The Government is looking to conduct one-on-ones with vendors to discuss AIDP-Next capabilities. The Government reserves the right to invite a limited number of attendees to participate in one-on-ones.

Please Note: The Government reserves the right to request one-on-ones with industry partners who did not submit a request for a one-on-one.

Vendors interested in participating in one-on-ones with the Government should submit their request to the following POCs and provide the requested information:

AIDP Next mailbox: usarmy.apg.cpe-isw.mbx.pm-isa-aidp-next@army.mil

Scott Butterfield: scott.d.butterfield2.civ@army.mil, Contracting Officer

Rachel Moresi: rachel.l.moresi.civ@army.mil, Contract Specialist

Please provide the following information when requesting a one-on-one:

- a. Email Subject Line: “One-on-One Request – [CAGE code]”
- b. Company name and point of contact name and email address
- c. Short description (1-2 paragraphs) of solution concepts and/or relevant capabilities
- d. Areas of discussion interest/feedback on process to date

RFI #3 for AIDP-Next – One on Ones and Draft CFS

Requests for one-on-ones should be sent no later than 13 March 2026 at 1700 EST.

The Government may invite selected respondents to participate in informal one-one-one discussions, which may include:

- Conceptual approaches to meeting the capability gaps
- Lessons learned or prior experience in similar contexts
- Technical Considerations, constraints or potential challenges in addressing the desired capabilities
- High-level demonstrations (optional)
- Open Q&A

For one-on-one discussions, the Government requests participation from technical personnel with direct knowledge of the proposed software solutions who are capable of addressing detailed technical questions, as these discussions will be technical in nature.

One-on-one meetings are currently scheduled to occur from 17 MAR 2026 to 20 MAR 2026.

Location: One-on-one discussions will take place at or in the vicinity of Aberdeen Proving Ground, MD. Virtual discussion may occur by exception.

- 5. Draft Call for Solution (CFS):** The Government will provide a DRAFT Call for Solution so that vendors may review and provide questions or feedback upon request. If you have questions and/or feedback, please use the spreadsheet provided in the Attachments Section of this RFI on SAM.gov. This DRAFT CFS is intended to be used to review requirements and to give vendors time to work on a solution, as this award will be at an accelerated pace.

DRAFT Call for Solution Request

To request the DRAFT Call for Solution, contact Scott Butterfield and Rachel Moresi at the following POCs:

The request email MUST have the subject line of ““DRAFT CFS Request – [CAGE code]”

AIDP Next mailbox: usarmy.apg.cpe-isw.mbx.pm-isa-aidp-next@army.mil (Please provide CAGE code when corresponding)

Scott Butterfield: scott.d.butterfield2.civ@army.mil, Contracting Officer

Rachel Moresi: rachel.l.moresi.civ@army.mil, Contract Specialist

Questions and/or Feedback Submission for DRAFT Call for Solution

All questions and/or feedback should be submitted to the following POCs:

AIDP Next mailbox: usarmy.apg.cpe-isw.mbx.pm-isa-aidp-next@army.mil (Please provide CAGE code when corresponding)

Scott Butterfield: scott.d.butterfield2.civ@army.mil, Contracting Officer

Rachel Moresi: rachel.l.moresi.civ@army.mil, Contract Specialist

All questions and/or feedback for the DRAFT CFS should be provided no later than 24 March 2026 at 1700 EST using the attached spreadsheet (“AIDP-Next - Questions and Feedback Submission Sheet”). Questions and/or feedback received after the due date may not be reviewed.

Title submission email with the subject line of, “Questions and/or Feedback Submission”

Please Note: This is a DRAFT Call for Solution. This DRAFT Call for Solution is issued for informational and planning purposes only.

- 6. Partnering Opportunity:** The Government offered this opportunity to vendors during the AIDP-NEXT Virtual Industry Day on 12 February that were interested in partnering or teaming arrangements. All information provided in the attached “Partnering Opportunity for Release” was provided by the named vendor and is provided to facilitate industry partnering and teaming as appropriate. This information is for reference purposes only. The Government doesn’t warranty the information. The Government is not supporting or endorsing any of the listed vendors.
- 7. Industry Day Briefing Resources:** The Government is providing briefing slides and questions and answers from the AIDP-NEXT Virtual Industry Day on 12 February in this RFI.
- 8. Additional information:** Participation in the one-on-ones does not imply preference for, nor will it be considered in, any future contract award decision.

No reimbursement will be provided for costs incurred in attending the one-on-ones or subsequent discussions after the event.

The slides and Questions and Answers from the Industry Day held on 12 February 2026 will also be posted to sam.gov in the Attachments Section.

Please Note: The DRAFT CFS is using the default Commercial Solutions Opening (CSO) and Other Transaction Authority (OTA) authorities, however, if a vendor's solution works better with another authority in the Army Open Solicitation (AOS), please include that in your response for review.
