for

Production Support
Blanket Purchase Agreement
(BPA)

12 January 2026

1. GENERAL: The United States Air Force Band requires vendors to provide occasional production support for missions at The United States Air Force Band located at 201 McChord St SW, Joint Base Anacostia-Bolling, Washington DC 20032, and at various venues in the Washington DC metropolitan area.

1.1 Description of Services/Introduction: The Vendor shall provide production labor, venue rental, production gear rental, and trucking as required for missions/productions of the USAF Band. Services may take place at the USAF Band (201 McChord St SW, JBAB, DC 20032) or various locations in the Washington, DC metropolitan area.

1.2 Background: The United States Air Force Band is the premier musical organization in the United States Air Force. It is often necessary to augment or supplement the manning available to complete mission requirements. Additionally, there are occasional missions that require equipment/trucking that the USAF Band must acquire temporarily.

1.3 Required Credentials: Contractor shall provide appropriate number of qualified and trained employees necessary to use equipment provided by the contractor or the USAF Band.

1.4 Required Services: The USAF Band requires Audio Engineers (A1), Audio Assistants (A2), Lighting Directors (L1), Lighting Assistants (L2), lighting designers, custom sound systems (depending on mission requirements), custom lighting systems (depending on mission requirements), trucking (depending on equipment to be delivered), staging, camera equipment, camera operators, director of photography, venue rentals, generator rentals, stage dressing, and miscellaneous labor and event planning.

1.5 Period of Performance: The period of performance shall be for five (5) years from ratification of the Blanket Purchase Agreement.

1.6 Evaluation Criteria: Vendors will be evaluated based on factors such as a history of past successful performance of production support services for live, recorded, and/or broadcast events. Vendors should have experience working with military bands. Preferred vendors will have direct experience providing successful services for The United States Air Force Band.
