

DEPARTMENT OF DEFENSE CONTRACT SECURITY CLASSIFICATION SPECIFICATION (Please read Instructions BEFORE completing this application.) (The requirements of the National Industrial Security Program (NISP) apply to all security aspects of this effort involving classified information.)				OMB No. 0704-0567 OMB approval expires October 31, 2020	
The public reporting burden for this collection of information, 0704-0567, is estimated to average 70 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

1. National Industrial Security Program Operating Manual (NISPOM) dated March 2013, applies to this contract.
2. Contractor will NOT be required to receive, generate, or have custody of classified material at the contractor's facility. This contract is for custodial services in buildings which process classified information at Naval Support Facility Dahlgren. Actual knowledge of, generation, or production of classified information is not required in the performance of this contract.
3. All information involved in security incidents shall be provided to the certifying official in Item 17a for classification review.
4. All security related issues, incidents, or requests pertaining to this contract shall be presented in writing to the certifying official in Item 17a below. The contractor shall abide by other reporting requirements outlined in the NISPOM.

14. ADDITIONAL SECURITY REQUIREMENTS. Requirements, in addition to NISPOM requirements for classified information, are established for this contract.

☒ No ☐ Yes (If Yes, identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the CSO. Use Item 13 or click button if additional space is needed.)

13. SECURITY GUIDANCE (Continued)

5. Contractor is required to maintain a Secret facility clearance and the specifically designated contractor personnel assigned to this contract must possess a favorably adjudicated investigation and a final DoD granted SECRET personnel security clearance. The number of clearances requested must be limited to that which is operationally required to fulfill the requirements of the contract. The contractor will ensure that all periodic reinvestigations and other legal and regulatory requirements are completed. It is the contractor's responsibility to ensure continuity of cleared personnel due to planned or unplanned turnover or reassignment.

6. Contractors issued a DoD interim security clearance may ONLY work on unclassified tasks in unclassified areas in accordance with this contract SOW. No classified access will be authorized.

7. Prime contractor will forward all DD254s for proposed subcontractors to the certifying official in Item 17a for advance approval.

8. Foreign nationals are not authorized to work on this contract. A visit request is required by all personnel assigned to this contract, to include full name, SSN, and contract number, and will be submitted to the official shown in Item 17a.
