(Oct 1995)

Order Limitations (Oct 1995)

(a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than \$2,000.00, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) *Maximum order.* The Contractor is not obligated to honor-

(1) Any order for a single item in excess of \$5,000,000.00;

(2) Any order for a combination of items in excess of \$5,000,000.00; or

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within five (5) days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(End of clause)

52.229-11 Tax on Certain Foreign Procurements-Notice and Representation.

(Jun 2020)

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

252.215-7008 Only One Offer. (Dec 2022)

(a) *Cost or pricing data requirements.* After initial submission of offers, if the Contracting Officer notifies the Offeror that only one offer was received, the Offeror agrees to-

(1) Submit any additional cost or pricing data that is required in order to determine whether the price is fair and reasonable (10 U.S.C. 3705) or to comply with the statutory requirement for certified cost or pricing data (10 U.S.C. 3702 and FAR 15.403-3); and

(2) Except as provided in paragraph (b) of this provision, if the acquisition exceeds the certified cost or pricing data threshold and an exception to the requirement for certified cost or pricing data at FAR 15.403-1(b)(2) through (5) does not apply, certify all cost or pricing data in accordance with paragraph (c) of DFARS provision 252.215-7010, Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data, of this solicitation.

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation)

(Feb 2026)

ADDENDUM to FAR 52.212-2

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Factor I - Technical Capability

Factor II - Past Performance and

Factor III - Price

Technical Capability and Past Performance have been determined to be of equal importance to price. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The Government anticipates awarding to the Lowest Price Technically Acceptable (LPTA) offer.

Offers must be registered in the system of award management at the time of proposal due date to be considered for award. Failure to meet a solicitation requirement, to include providing the Summary and Miscellaneous Data and the structuring of proposals, may result in an offer being determined unacceptable. The evaluation process will include the following:

A. Technical Capability Factor. Offerors shall provide a management/staffing plan IAW with the PWS demonstrating thorough understanding and approach to meeting the PWS requirements. The contents of the plans shall be evaluated by the USG for a judgmental determination based on the submitted proposal's conformance to the solicitation and PWS requirements on an acceptable or unacceptable basis.

<i>Technical Acceptable/Unacceptable Rating Method</i>	
Adjectival Rating	Description
Acceptable	Proposal meets the requirements of the solicitation & PWS
Unacceptable	Proposal does not meet the requirements of the solicitation & PWS

B. Past Performance Factor:

The government will evaluate recent and relevant performance information provided by offerors along with past performance information available via USG records/databases, if available. Recent is defined as contracts/sub-contracts performed and/or being performed for any customer within the past ten (10) years prior to issuance of this solicitation. Relevant is defined as projects involving the performance of escort services of similar scope, effort, complexity and or magnitude to this solicitation with a total value of \$1,000,000.00 or more.

The purpose of the past performance evaluation is to assess the degree of confidence the Government has in the offeror's ability to meet the solicitation requirements based on the offeror's demonstrated record of performance. Offerors will be evaluated on an Acceptable/Unacceptable basis. Offerors lacking past performance will receive a neutral rating. Preference shall be given to offers with an acceptable rating over those with neutral.

<i>Past Performance Acceptable/Unacceptable Rating Method</i>	
Adjectival Rating	Description
Acceptable	Proposal consists of Recent and Relevant information
Unacceptable	Proposal does not consist of Recent and Relevant information
Neutral	No Past performance available

C. Price Evaluation Factor. The government will rank all technically acceptable offers by price and evaluate for fairness and reasonableness. In addition, each offeror's separately priced line items shall be analyzed. The government reserves the right to perform price realism analysis and discretion over the method within which it performs its price realism analysis. If the Government elects to perform a price realism analysis and finds a proposal unrealistic, the Government may withhold award to that offeror. The government will evaluate the total evaluated price (TEP) for award decision. The TEP is the total of the base year and all options years to include the 6-month extension option. the TEP will not necessarily be the total price of the contract awarded.

D. Options (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

E. Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
